New Jersey Tobacco Products Tax Return General Instructions

The New Jersey Tobacco Products Wholesale Sales and Use Tax commonly referred to as the Tobacco Products Tax or "TPT" is imposed on the wholesale price upon the sale, use, or distribution of a tobacco product within this State. N.J.S.A. 54:40B-4 states that every distributor or wholesaler shall be liable to pay the tax when it has sold or otherwise disposed of the tobacco product to a retail dealer or consumer. The retail dealer or consumer shall be given an invoice, receipt or other statement or memorandum stating that the tax has been paid or will be paid by the distributor or wholesaler.

If the Wholesale Sales and Use tax has not been paid by a distributor or wholesaler, there is imposed upon the retail dealer or consumer a compensating use tax of 30% of the price paid or charged for all tobacco products excluding moist snuff. Moist snuff is taxed at a rate of \$0.75 per ounce.

RECORDKEEPING

Every distributor or wholesaler required to pay any tax imposed by this act shall keep records of every charge for and of all amounts of wholesale price paid or due thereon and of the tax payable thereon, in such form as the director may require. Records shall include a true copy of each invoice, receipt, statement or memorandum upon which the provisions of section 4 of this act require that the tax paid be stated. Records shall be available for inspection and examination at any time upon demand by the director or duly authorized agent or employee and shall be preserved for a period of three years, except that the director may consent to their destruction within that period or may require that they be kept longer.

FILING PROCEDURES

Every taxpayer who is registered for the Tobacco Products Tax is required to file a report with required schedules on a monthly basis, even if no taxable transactions have taken place during the month. In addition, every registered taxpayer is required to maintain complete records and documents substantiating all information contained on each Tobacco Products Tax return.

Every return must be signed by the owner, partner or a principal officer.
