Re: OPRA request received August 11, 2025

Dear Mr. Smith:

This is in response to your request for records under FOIA. The federal FOIA statute applies only to federal agencies and does not apply to a New Jersey state agency or authority. New Jersey authorities are required to provide access to records under the state Open Public Records Act. Please reply to this response and let the Authority know whether you wish to receive the requested records under the New Jersey Open Public Records Act.

If you do wish to receive the requested records under the New Jersey Open Public Records Act provide the certifications required pursuant to N.J.S.A. 47:1A-5(g) to proceed. Please complete and provide the below required certifications:

Under penalty of N.J.S.A. 2C:28-3, I certify that:

- 1. I [HAVE / HAVE NOT] been convicted of any indictable offense under the law of New Jersey, or any other state, in the United States;
- 2. I, or another person, [WILL / WILL NOT] use the requested government records for a commercial purpose;
- 3. I [AM / AM NOT] seeking records in connection with a legal proceeding.

Furthermore, if the records are sought in connection with a legal proceeding, please provide the docket number for the matter and confirm whether the records sought are subject to a court order or discovery request.

Your request sought access to the following:

Electronic records of all purchase orders issued by the Educational Facilities Authority (NJEFA) from January 1, 2020, through June 30, 2025.

To assist NJEFA in identifying documents that are responsive to your request, please advise if your request is for all purchase orders during the stated time period or if there is a specific type of purchase for which you are requesting purchase orders. Please be advised that NJEFA is an independent state authority and assists New Jersey colleges and universities in obtaining low-cost financing through the issuance of municipal bonds for development of their campus facilities. NJEFA is not a property manager of educational facilities. Generally, the Authority does not make any purchases on behalf of any colleges and universities.

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the NJEFA to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The GRC can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

Sincerely,

Jamie O'Donnell

James O Demall

NJEFA Records Custodian
