

OUR FUTURE IS BRIGHT

Throughout NJMIHIA's development of a distinct brand identity, feedback was gathered from stakeholders regarding both NJMIHIA and their vision for the Authority's future.

Below are some of the key quotes shared by stakeholders:

"NJMIHIA can become the interdisciplinary agent of change"

"NJMIHIA has an opportunity to create a new system/structure to achieve health equity and justice for all"

"NJMIHIA is on a mission to change policy in NJ and be a learning model for the world. Creating a brighter future with policies that pave the way for that brighter future"

"Everything NJMIHIA does must be in concert with community and multisector organizations, with community as the conduit"
