

Location: Warren County Department of Public Safety
1024 State Highway 57 West Washington, NJ 07882

Dates: September 7th, 2022 (Day 1) Tuesday
September 8th, 2022 (Day 2) Wednesday

Time: 8:30 AM – 4:30 PM

Course Length:

Two days, 16 hours. A student **must attend** all days to receive credit for the ICS 400 course.

ICS 400 Course Overview:

This course provides training and resources for personnel who require advanced application of the Incident Command System (ICS). The course expands upon information covered in the ICS 100 through ICS 300 courses. This course is NIMS compliant and meets the NIMS Baseline Training requirements for ICS 400.

Prerequisites:

The following courses are mandatory prerequisites to this course and must be included with your application. You will NOT be registered without proper required documents

- ICS 100 (Introduction to ICS) most current version
- ICS 200 (Basic ICS) (Classroom Version)
- ICS 300 (Intermediate ICS for Expanding Incidents)
- ICS 700 (Intro to NIMS) most current version
- ICS 800 (National Framework, an Intro) most current version

Selection Criteria:

Applicants will be selected based on properly completed applications, completed prerequisites, and whole community representation. **Class size is limited to 25 students.**

Applications must be received by September 5th, 2022, for consideration to attend.

Primary Audience:

This course is designed for those emergency response personnel (State, county, local officials and volunteers who may assume a supervisory role in expanding incidents or Type 3 incidents); who would function as part of an Area Command, Emergency Operations Center, or Multi-agency Coordination System during a large, complex incident or event or those personnel who are or would likely be part of a local or regional Incident Management Team during a major incident, whether single agency, multi-agency or Unified Command

Lodging Information:

Lodging will not be provided.

Registration Information:

Please register by filling out the [NJOEM Training Registration \(arcgis.com\)](https://arcgis.com).

Scan all prerequisites as (1) document and then upload it as (1) file. Emailed PDF, documents or applications will not be accepted. You will receive a class confirmation via email prior to the class start date. For questions or concerns, please contact the NJOEM Training & Exercise Unit:
