

Location: Robert Wood Johnson University Hospital
Mobile Health Services Building
Emergency Management Operations Room- 2nd Floor
126 Paterson Street, New Brunswick, NJ 08901

Dates: December 8th, 2022 (Day 1, Thursday)
December 15th, 2022 (Day 2, Thursday)

Time: 8:30 am. - 4:30 pm.

Course Length:

Two days, 16 hours. A student **must attend** both days to receive credit for the ICS 200.C course.

ICS 200.C Course Overview:

This 2-day course is designed to enable personnel to operate efficiently during an incident or event within the Incident Command System (ICS). ICS-200.C provides training on and resources for personnel who are likely to assume a supervisory position within the ICS.

Prerequisites:

The following courses are mandatory prerequisites to this course and must be included with your application. You will NOT be registered without proper required documents.

IS-100.C (Introduction to ICS)- available on FEMA as Independent Study

IS-700.B (Intro to NIMS)- available on FEMA as Independent Study

IS-800.D (National Response Framework, An Intro)- available on FEMA as Independent Study

Selection Criteria:

Applicants will be selected based on properly completed applications, completed prerequisites, and whole community representation. **Class size is limited to 24 students.**

Lodging Information:

Lodging will not be provided.

Registration:

Please register by filling out the [NJOEM Training Registration \(arcgis.com\)](https://arcgis.com). Upload any required prerequisite(s) as ONE scan file. **Emailed PDF** or Incomplete applications will not be accepted. You will receive a "welcome email" one week prior to the class start date.

Applications must be received by December 1st, 2022 for consideration to attend.

For questions/concerns, please contact the NJOEM Training & Exercise Unit
