

Course: G0108- Community Mass Care and Emergency Assistance

Location: 2023 New Jersey Emergency Preparedness Conference
Hard Rock Hotel and Casino, Atlantic City, NJ

Date: April 17th & 18th, 2023

Time: 8:00 AM – 5:00 PM

Course Description:

This course provides training for local communities to prepare for and manage the Mass Care/Emergency Assistance (MC/EA) functions effectively. The goal is to prepare community agencies, organizations, and businesses to work together in coordination with Emergency Management and traditional MC providers to plan and provide MC/EA services to those affected by disaster.

Course Objectives:

Define the four primary MC/EA services as discussed in this course. Describe how to determine their community's MC/EA service resource requirements. Identify providers that exist in their community or can be called upon from a nearby community to meet the requirements for MC/EA. Name planning and operational actions that can affect how services will be provided. List action items to use resources and providers to meet MC/EA requirements in their community.

Target Audience:

This course is intended for MC coordinators, management staff, non-governmental organization leaders, private sector, and other emergency management staff that are a part of the team and have a responsibility for effective MC/EA preparedness and response.

Additional Information:

G0108 is a required course for the Advanced Professional Series (APS) certificate.
Enrollment is limited to 25 students.
