

Course: G0191 - ICS/EOC Interface

Location: 2023 New Jersey Emergency Preparedness Conference
Hard Rock Hotel and Casino, Atlantic City, NJ

Date: April 19th, 2023

Time: 8:00 AM - 5:00 PM

Course Goal:

The goal of this professional development course, G0191 Incident Command System/ Emergency Operations Center Interface, is to enable students to develop an effective interface between the Incident Command/Unified Command and the Emergency Operations Center by applying National Incident Management System principles.

Target Audience:

The intended audience(s) are federal, state, tribal, territorial, local level, private industry, volunteer and nongovernmental emergency management personnel who are active in a community's ICS and EOC activities.

REQUIRED STUDENT PREREQUISITES:

- IS-100: An Introduction to the Incident Command System (*most current version*)
- IS-200: Basic Incident Command System for Initial Response (*most current version*)
- IS-700: An Introduction to the National Incident Management System (*most current version*)
- IS-800: National Response Framework (NRF), An Introduction (*most current version*)

Or

- IS-2200 Basic Emergency Operations Center Functions

Additional Information:

G191 is a required course for the Advanced Professional Series (APS) certificate. *Enrollment is limited to 25 students.*

Registration:

Please register at NJEPA's website <https://www.njepa.org/ehome/698768>. One week prior to the start of the conference, a class confirmation email will be sent from the NJOEM Training & Exercise Unit. At that time, further instructions will be provided in reference to prerequisite upload, process to download course materials, and equipment requirement. For questions or concerns, please contact the NJOEM Training & Exercise Unit: FieldTrainingUnit@njsp.org
