

**Course:** G0272- Warning Coordination

**Location:** 2023 New Jersey Emergency Preparedness Conference  
Hard Rock Hotel and Casino, Atlantic City, NJ

**Date:** April 17th, 2023

**Time:** 8:00 AM - 5:00 PM

**Course Description:**

This course addresses warning coordination for weather or flooding related events. It provides training to help facilitate the process whereby State, local, tribal, and territorial officials responsible for warning coordination and communication work closely with the National Weather Service (NWS) and the news media to provide effective warnings that can be received and understood by people at risk. The effective coordination of these warnings is paramount to saving lives and protecting property.

**Target Audience:**

The target training audience for Warning Coordination includes State, local, tribal, and territorial government emergency program managers, or officials responsible for coordination and communication. The secondary audience includes federal emergency management personnel and employees of Federal, State, local, tribal and territorial governments who work in the emergency management field.

**Prerequisite:**

**IS-271.A: Anticipating Hazardous Weather & Community Risk, 2nd Edition.**

**Additional Information:**

G272 is an elective course for the Advanced Professional Series (APS) certificate. *Enrollment is limited to 45 students.*
