## **All-Hazards Situation Unit Leader Course Overview:**

The All-Hazards Situation Unit Leader course helps participants establish the essential core competencies required for performing the duties of the Situation Unit Leader (SITL) in an all-hazards incident. This course addresses all responsibilities appropriate to an SITL operating in a local- or state-level All-Hazards Incident Management Team (AHIMT). These responsibilities include processing information and intelligence and developing displays. The course is an instructor-led training that supports learning through discussion, lecture, and active participation in multiple exercises. By requiring participants to bring an SITL Kit to the instruction, the course provides a realistic, hands-on approach to mastering the skills of an SITL.

This course is an instructor-led training that supports learning through discussion, lecture, and active participation in multiple exercises that provides a realistic, scenario-driven approach to mastering the skills required of a Situation Unit Leader. Complex experiential exercises and discussions will afford participants the opportunity to act as each Unit Leader while connecting all information learned back to real-world application.
