Intermediate Incident Command System | *ICS 300*

Location: Rowan University
201 Mullica Hill Rd., Mullica Hill, NJ 08062

Date: July 21st-23rd (3days)

Time: 8:30 AM – 4:30 PM

Course Length:
Three days, 24 hours. Students must attend all days to receive credit for the ICS 300 course.

ICS 300 Course Overview:
This 3-day course is designed to enable personnel to operate efficiently during an incident or event within the Incident Command System (ICS). This course provides training on resources for personnel who require advanced application of the Incident Command System (ICS). This course expands upon information covered in the ICS-100 and ICS-200 courses.

Prerequisites:
The following courses are mandatory prerequisites to this course and must be included with your application. You will NOT be registered without proper required documents.

•ICS 100 (Introduction to ICS) most current version
•ICS 200 (Basic ICS) (Classroom Version)
•ICS 700 (Intro to NIMS) most current version
•ICS 800 (National Framework, an Intro) most current version

Additional Information:
Lodging will not provided. Class size limited to 30.

Selection Criteria:
Applicants will be selected based on properly completed applications, completed prerequisites, and whole community representation.

Registration:
Please select the "Registration" link by filling out NJOEM Training Registration (arcgis.com). Upload any required prerequisite(s) as ONE scan file. Emailed PDF or incomplete requirement will not be accepted, and the registration will be invalid. You will receive a "Welcome Email" one week prior to the class start date as a confirmation to attend. *Incomplete applications will not be accepted*. You will be notified via email when action is taken on your application.

Applications must be received by July 18th, 2025 to be review for eligibility and consideration to attend.
