ICS Curricula Train-the-Trainer | *L0449*

Location: New Jersey Regional Operations Intelligence Center (ROIC)
2 Schwarzkopf Drive
Ewing Township, NJ 08628

Date: December 9th to December 13th, 2024 (Monday through Friday)

Time: 8:30 AM – 4:30 PM

Description:
ICS Curricula Train-the-Trainer focuses on teaching techniques of the various curriculum and addressing the participant dynamics in the classroom setting.

Course Goal:
This course expands and improves upon students' ability to deliver EMI Incident Command System (ICS) curricula. Students are provided training on the delivery of: ICS-100 Introduction to the ICS, ICS-200 ICS for Single Resource and Initial Action Incidents, ICS-300 Intermediate Incident Command System for Expanding Incidents, ICS-400 Advanced Incident Command System for Complex Incidents, ICS-402 ICS Overview for Executives and Senior Officials, and G0191 Emergency Operations Center/ICS Interface.

Emphasis is placed on classroom-based deliveries. This includes compliance with the National Incident Management Training Program, course activities, pre/post-testing, and ICS training program management. Students will perform a teach-back of an assigned unit from the ICS core curriculum as part of the course. Teach-backs will be conducted as part of the assessment of instructor competence.

The delivery is rigorous, both academically and work wise. This includes homework and time after class preparing assignments. Participants may not miss more than 10% of the instruction and activities to receive a certificate (no more than 3.5 hours). Participants will be required to bring a laptop, tablet or suitable device to access on-line testing links and conduct assigned presentations. If you believe you have a conflict that will prevent you from full participation, please consider a future delivery.

Target Audience:
Participants who have a working knowledge of ICS through experience and training, and have experience delivering adult training. Participants must have worked as Incident Command, Command or General Staff positions on incidents, planned events, or exercises that were active for multiple operational periods or involved a written incident action plan, and involved multi-agency coordination.

REQUIRED STUDENT PREREQUISITES:

- ICS 100.C: Introduction to ICS (2018 version)
- ICS 200.C: ICS for Single Resource and Initial Action Incidents (2018 version)
- ICS 300: Intermediate ICS for Expanding Incidents (May 2019 or later)
- ICS 400: Advanced ICS for Complex Incidents (May 2019 or later)
- ICS 700.B: Intro to NIMS (latest version)
- ICS 800.C: National Response Framework, An Intro (latest version)
- G0191: EOC/ICS Interface (May 2019 or later)
- Formal instructor training (list below or an equivalent training) is required:
