A Dive into Public and Individual Assistance

IN THIS INTERACTIVE TRAINING SESSION, ATTENDEES WILL LEARN:

- How to maximize the financial benefits provided by the FEMA Public and Individual Assistance Programs during a disaster declaration.
- Fundamental components necessary to document and submit for federal reimbursement in compliance of Federal regulation and FEMA Policy.
- How to comprehend their role and importance of providing timely disaster related information to achieve efficient recovery for the health and welfare of their community / organization

PART OF THE NJEPA TRAINING TRACK
