

New Jersey Statewide Network for Cultural Competence

NJSNCC Revised Mission Statement

Proposed New NJSNCC Mission Statement:

Select one of the following 4 proposed new statements sent in by members:

- To facilitate access to equitable and quality services for individuals, families, and communities through culturally and linguistically appropriate service delivery.
- To facilitate access to equitable and quality services for culturally diverse populations, individuals and professionals in the State of New Jersey through culturally and linguistically appropriate service delivery.
- To strengthen culturally and linguistically appropriate, equitable and quality services in the State of New Jersey for people with diverse needs, and to facilitate meaningful access to these services by individuals, families, providers, and professionals. We define people with diverse needs as those with varying abilities and disabilities, cultures, languages, and social and health care needs.
- The New Jersey Statewide Network for Cultural Competence (NJSNCC) is committed to the facilitation of culturally and linguistically appropriate, equitable and quality services, as well as meaningful access to such services, for people with diverse needs, culturally diverse populations, individuals and professionals in the State of New Jersey. We define people with diverse needs as those with varying abilities and disabilities, cultures, languages, social and health care needs.

(Note: Two other proposed mission statements speak about the actual provision of services and direct advocacy which likely go beyond what the Network and/or some individuals/organizations can or are permitted to do and have not been included)
