Superintendent Callahan,

On July 27, 2024, your agency was awarded *Advanced Law Enforcement Accreditation with Conditions* by the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA®). The following condition(s) applies:

A Compliance Services Review of standards 46.1.9 (All Hazards Plan Training) and 46.1.10 (Active Threats) will occur during the first annual web-based assessment to verify compliance. A report of the findings will be provided to the Commission no later than the November 2025 conference.

CALEA Accreditation represents your agency's acceptance of the continuous obligation for professional excellence in the field of public safety. This requires compliance with current applicable standards for your agency, and those promulgated by the Commission in the future.

CALEA Accreditation is a continuous process and serves as the foundation for a successful, well managed, transparent, community-focused public safety agency. To this end, an agency must maintain its accredited status by remaining in compliance with CALEA standards at all times. If you discover you need any further information as it relates to this matter, please contact your assigned Regional Program Manager.

On behalf of the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA®), we commend you and the New Jersey State Police for demonstrating a commitment to professional standards in policy and practice.

Sincerely,

A handwritten signature in black ink that reads "W. Craig Hartley, Jr." with a stylized flourish at the end.
