A Community Outreach Forum on: Ride Share Safety Highlighting: Sami's Law PRESENTED BY: Seymour Josephson of the What's My Name Foundation

New Jersey Governor Phil Murphy signed legislation to enhance safety for rideshare passengers by requiring additional identification for drivers. The bill's passage and signing follows the tragic death of Samantha "Sami" Josephson, a Robbinsville, New Jersey resident and student at the University of South Carolina, who mistakenly entered a car she thought was her rideshare.
