Turn the Tide: Pushing back on Violence in Trenton!

When: **Tuesday**
June 16, 2020 12:00 pm

What: Violence affects far too many Trenton residents. At a time when violent crime rates declined across New Jersey, Trenton saw an uptick. The Attorney General's Office ramped up its efforts to protect the residents of Trenton, but there is more work to be done.

During National Gun Violence Awareness Month, join AG Grewal and others for a candid discussion on factors that contribute to violence as well as community-based violence reduction strategies.

Who: **Attorney General Gurbir S. Grewal**
Chief Counsel Matthew Platkin, *Office of the Governor*
