4  Business Corporation [View Details](#)

### ENTER NEW APPLICANT INFORMATION

Please list the person or entity applying to register products.

- \* Registrant Type:

### LICENSE/PERMIT INFORMATION

- \* Does the Product/Brand Registrant have a New Jersey (NJ) License? 5  Yes  No

4. Click on Use to select the legal entity.
5. Answer the question and hit next.

### Product Registration Application

The TTB/COLA column in the table below is to indicate whether the product being registered has received TTB label approval. If TTB label approval has not been received, a detailed explanation will need to be provided.

Current Registered Products:  
No Current Registered Products

**PRODUCTS**

*UPC / Product ID	*Name	*Variety	*Product Type	Vintages	*TTB / COLA	*TTB Number	*Unit Volume Type	*Unit Volume Amount	*Unit Type	*Unit Quantity	*Proof or ABV
<input type="text"/>	<input type="text"/>	<input type="text"/>	(None)	<input type="text"/>	<input type="radio"/> Yes <input type="radio"/> No	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

Use the field below to request a vintage that is not available for selection and/or to identify any product(s) with a deposit label of another state.

6. Enter UPC/Product ID. If you do not have the UPC/Product ID, then please enter zero. A system-generated code will be assigned to your product. This code can be amended later. The system-generated number will be supplied on approval notification. The explanation of the reason not to have the UPC/ Product ID should be provided.
7. Enter only the brand name.
8. Enter the variety.
9. Select the product type.
10. If applicable, enter the vintage. You can select multiple vintages. If the vintage(s) is not available, use the comments section to enter the vintage(s).
11. Enter whether you have a TTB/COLA number or not. If no is selected, enter the reason in the comments box that will appear.
12. Enter the Unit volume type (measurement), Unit Volume Amount, Unit Type (bottle, etc.), Unit Quantity, and Proof or ABV.
13. If you do not see the vintages available, use the comments section to add the vintage. After filling out this page, hit Next.

NOTE: If TTB/COLA is not entered or related question is answered as no, you are required to provide a reason for not providing the TTB/COLA. If you answer yes, then TTB/COLA number is required.

*UPC / Product ID	*Name	*Variety	*Product Type	Vintages	*TTB / COLA	*TTB Number	*Unit Volume Type	*Unit Volume Amount	*Unit Type	*Unit Quantity	*Proof or ABV	
100011	Canandaigua Wine	Grande Cuv 1ER	Wine	<input type="button" value="Select Vintage(s)"/>	<input type="radio"/> Yes <input checked="" type="radio"/> No		oz	12	Bottle	1	0.1	<input type="button" value="Remove"/>

## Public Portal – POSSE Product Renewal

The screenshot shows the login page for the POSSE system. At the top, it features the logos for the State of New Jersey, Department of Law & Public Safety, Office of the Attorney General, and the Division of Alcoholic Beverage Control (ABC). The ABC logo is prominently displayed on the left. The login form includes fields for Email (with the example 'abcit@njoag.gov') and Password (with masked characters). There are links for 'Forgot Email?' and 'Forgot password?'. A blue 'Log In' button is present, with a blue box containing the number '1' next to it. Below the login form, there is a 'Register' section with a link to register and a video tutorial. A disclaimer and copyright notice are also visible.

Update Cancel

For each row, after the row has been populated, click on update.

Use the field below to request a vintage that is not available for selection and/or to identify any product(s) with a deposit label of another state.

6. The warning triangle  indicates that information is required. In this case, NJ-ABC needs the UPC/Product ID and other information for an already registered product.
7. When you click inside a box, the row becomes activated to enter the information.
8. The black pop-up provides information on what information is missing. You can close this pop-up window.
9. If you do not have the UPC/Product ID, then please enter zero. A system-generated code will be assigned to your product. This code can be amended later. The system-generated number will be supplied on approval notification. The system-generated number will be used on future renewals and CPL filings. If you have entered ZERO because you do not have either a UPC or product ID, you need to provide an explanation on the application.

10. The TTB/COLA number is required for TTB/COLA – YES.
11. Registrant can add vintages if applicable to the product type. More than one vintage can be selected.
12. If the specific vintage is not listed, use the comments field to enter the vintage. You can use the box to enter comments for NJ-ABC's attention.

**PRODUCTS**

Please review all of your brands and ensure all mandatory fields are filled out prior to completing your renewal submission. When you only have a few, you can edit within the grid by clicking a cell, updating, and clicking the Update button. You do not need to click Save Draft after each row Update. When you have large amounts of data to update, click the Export button to download an excel spreadsheet. Update the spreadsheet and use the Import button to load your changes. Ensure your values changed appear in the Grid. If additional changes are needed, repeat the Export/Import process until all records are correct.

The screenshot shows a digital signature interface. A blue box with the number "17" is overlaid on the right side. Below the signature area, there are four buttons: "CLEAR", "UNDO", "TYPE", and "SAVE". A red arrow points from the "17" box to the "SAVE" button.

17. Sign the application and click on save.

**By checking the box below**, you are confirming that for malt alcoholic beverage products being registered (with the exception of malt coolers and cider products) where deposit information appears on a label sold in New Jersey that the total of all shipments from the brewery for the past full or part calendar year in New Jersey did not exceed 3,000 barrels of 31 fluid gallon capacity or the container equivalent. If the total of all shipments from the brewery of malt alcoholic beverages for the past full or part calendar year exceeds 3,000 barrels of 31 fluid gallons capacity or the container equivalent, you must apply to the division for a waiver of N.J.A.C. 13:2-27.2.

**By checking the box below**, you are certifying that the product(s) you have designated as exempt from TTB's COLA requirement is a true and valid designation.

**By checking the box below**, you are certifying that the information that you are providing to the State of New Jersey is correct and accurate to the best of your knowledge. Upon submission of payment, you will receive a confirmation. However, if your payment is subsequently deemed unsuccessful by the bank, a penalty will be assessed by this Division.

**By checking the box below**, you are certifying that the foregoing statements made by you are true. You are aware that if any of the foregoing statements made by you are willfully false, you are subject to punishment.

Check here to indicate that you have read and agree to the declaration(s) above.

Should you decide to proceed with this credit card payment, please note that the New Jersey Information Division of NICUSA, Inc. (NICUSA-NJ), a partner with the State that provides electronic payment services, will process your payment through a secure payment gateway. NICUSA-NJ will remit to the State of New Jersey all payments and amounts owed to the State. The online charge processed through NICUSA-NJ includes funds in excess of payments owed to the State. NICUSA-NJ uses these excess funds to develop, run, maintain, enhance, and expand the State's electronic service offerings. The State of New Jersey does not share in any of the excess funds collected by NICUSA-NJ.
