(b) After the applicable dealing procedures required by N.J.A.C.
19:47-27.7, 27.8 or 27.9 have been completed, each player shall
examine his or her cards. Each player who places the required wagers
shall be responsible for his or her own hand and no person other than

cards of that player.

(c) The dealer shall, starting with the player farthest to his
or her left and continuing clockwise around the table, offer each
player who has placed an ante wager and super bonus wager the option
to make a play wager or forfeit his or her ante wager, super bonus
wager and, if made, queens up wager. The play wager of a player shall
be made in an amount equal to his or her ante wager, unless the player
has a pair of aces or better, in which case the player may place a
play wager equal to one, two or three times the amount of the player's
ante wager. If a player has placed an ante wager, an aces up wager, a

super bonus wager, a queens wager, and a progressive wager pursuant to N.J.A.C. 13:69F-27.13, but does not make a play wager, the player shall forfeit the ante wager, the aces up wager, and the progressive wager, but shall not forfeit eligibility to receive an envy bonus pursuant to N.J.A.C. 13:69F-27.14.

(d) After each player has either placed a play wager on the designated area of the layout or forfeited his or her ante wager, super bonus wager and, if made, queens up wager, the dealer shall collect all forfeited wagers. The dealer shall collect the cards of any player who forfeited his or her wagers, and place the cards in the discard rack.

The dealer shall reveal the player's cards in the designated area between the dealer's hand and the area designated for placement of the queens up wager. The dealer shall select the four cards of the player that form the highest ranking four card poker hand for that player.

The dealer shall pay the wagers for each player in the following order: play wager, ante wager, queens up wager and super bonus wager.

The dealer shall pay the wagers for each player in the following order: play wager, ante wager, queens up wager and super bonus wager.
