

Selling Your Precious Metals & Jewelry

To help prevent the sale of stolen jewelry, **merchants must:**

- Obtain the seller's **proof of ID**
- Give the seller a **receipt with:**
 1. **Name and address of buyer and seller**
 2. **Weight, fineness, and type of each precious metal purchased**
 3. **Prices paid**
 4. **Date of transaction**
- **Keep a copy of the receipt for one year**
- **Retain the jewelry, in its original form, for at least two business days**
