Opioid Settlement Funding Report		
Sub Division: Sussex County		
	State ID:	NJ222
	County Name:	Sussex
	Address:	1 Spring Street 2nd Floor, Newton, New Jersey, 07860
Fiscal Year: 2024		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2023 and 6/30/2024	\$1,068,202.94
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received since the distribution commenced in 2022:	\$32,852.97
3	Please tell us the total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022.	\$1,635,652.32
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a county and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2023 - 6/30/2024) :	\$32,465.00
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2023 - 6/30/2024).	\$540,000.00
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2023 - 6/30/2024) :	\$0.00
8a	Please provide details about any administrative expenses.	There were no administrative expenses for the reporting period.
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	\$1,063,687.55

10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	Spending decisions were based on our committee's perceived gaps in services based on the data/narratives as listed below in coordination with the List of Opioid Remediation Uses as provided by the state. For 2023-2025 our goal was to increase prevention/early intervention programs as well as to increase efforts to market recovery services to county residents. The committee has contracts in place with vendors to complete both of these tasks utilizing Opioid Settlement funds through 2025.
11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	A committee comprised of; substance use treatment providers, county social services, health and senior service representatives, community leaders and advocates met prior to the reporting year to provide narratives based on all available metrics including; evidence-based practices, available needs assessments, existing program inventory and the List of Opioid Remediation Uses (as provided) to create an Opioid Settlement Fund Plan (2023-2025) that was formally adopted by the Sussex County Board of Commissioners on August 9th 2023.
12	In this reporting year (7/1/2023 - 6/30/2024), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	No, but plan to in the future
13	Please describe your public engagement/input efforts?	The Opioid Settlement Fund Committee announces their meetings via the county website and advertising emails to all community partners, providers and stakeholders. The meeting is open to the public and everyone is invited to attend in order to give their input on how the received funds can best be utilized.
14	Does your county/subdivision have a strategic plan?	Yes
14 a	Can we post your strategic plan online?	
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
16	Did your subdivision fund any programs using opioid abatement funds in this reporting year?	Yes

	<b>2024 Fiscal Program List</b>	
1	Program Name/Title	Substance Use Prevention-Early Intervention Programming
2	Agency/Funding Recipient Name	Center for Prevention and Counseling
3	Agency/Funding Recipient Category	Community Based Organizations/Non-Governmental Organizations
4	Primary problem being addressed by this program:	Increase prevention education and early intervention
5	Brief program description:	To expand prevention education utilizing the evidence-based program Botvins Life Skills training focusing on students in grades 3-8 within three school districts located in Sussex County
6	Program target population:	Children and Young Adults - 0-13 (through 8th grade)
7	Date this program was funded (please use MM/DD/YYYY)	10/25/2023
8	Amount of funding for this program.	\$71,822.00
8a	Amount expended:	\$32,465.00
8 b.	Amount encumbered/appropriated:	\$39,357.00
9	How often are you disbursing funds to this program?	Billing should occur monthly or on an as completed basis
10	Program Launch Date	1/1/2024
11	Please choose the length of time of this program's duration:	1 year
12	What is the anticipated number of unduplicated clients this program will reach annually?	550
13	Please state this program's statement of impact.	To expand primary education utilizing evidence-based prevention programs to adolescents about the risks of misusing alcohol and/or drugs including opioids, to reduce the negative consequences associated with substance use.
14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	550

	Increased community awareness (please describe):	Based on self reporting by participants
15	How frequently are you measuring the tracked key performance indicators?	Monthly
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	To reduce drug abuse through an evidence-based substance abuse program that consists of three components: Drug Resistance Skills, Personal Self-Management Skills and General Social Skills. Impact is measured based on surveys given to participants.
17	Primary Category:	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction)
20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	Botvins Life Skills provides drug resistance skills, personal self-management skills, and general social skills. This program has been proven effective to reduce substance use initiation and delay onset of substance use.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	A Request for Proposals (RFP) was issued based on the Federal, State and local laws governing such processes as required.
	<b>2024 Fiscal Program List</b>	
1	Program Name/Title	Marketing & Advertisements (Opioid Use Prevention and Treatment)
2	Agency/Funding Recipient Name	Rescue Agency Public Benefit, LLC
3	Agency/Funding Recipient Category	Private/For-profit Organizations
4	Primary problem being addressed by this program:	To increase the awareness of opioid and substance abuse treatment and support in Sussex County
5	Brief program description:	To license and customize one of Rescue's RMCs to increase awareness of treatment, support and services available to the Sussex County community as well as to develop influencer packages that are designed to expand messaging to include additional topics such as prevention, fentanyl-poisoning, and risk reduction.
6	Program target population:	Members of the General Public

7	Date this program was funded (please use MM/DD/YYYY)	10/25/2023
8	Amount of funding for this program.	\$130,000.00
8a	Amount expended:	\$0.00
8b.	Amount encumbered/appropriated:	\$130,000.00
9	How often are you disbursing funds to this program?	Funds are distributed based on a schedule of completed work. Note that payments pending distribution to vendor are not reflected in 8a.
10	Program Launch Date	1/1/2024
11	Please choose the length of time of this program's duration:	1 year
12	What is the anticipated number of unduplicated clients this program will reach annually?	10,000
13	Please state this program's statement of impact.	Increase knowledge around the risk of fentanyl and connect the risk of use to each person, increase knowledge around harm reduction (i.e. naloxone, overdose identification and reduction in using substances alone).
14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Increased community awareness (please describe):	Please see 12 above.
15	How frequently are you measuring the tracked key performance indicators?	Once started, KPI's will be tracked monthly.
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	As stated above, impact will be measured through tracked KPI's (once agreed upon and campaign begins).
17	Primary Category:	Harm Reduction and Overdose Prevention
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Primary Prevention, Education, and Training, Recovery Supports, Treatment
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Connections to Care, Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction)
20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	This program will address significant gaps in target audiences' understanding of opioid risks, including risk of both recreational and medical use, how dependence and addiction develop, and how even those without a history

		of substance misuse are vulnerable to opioid addiction or overdose.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	Request for Proposal was issued based on Federal, State and County requirements.

Opioid Settlement Funding Report		
Sub Division: Hopatcong Borough		
	State ID:	NJ96

16	Did your subdivision fund any programs using opioid abatement funds in this reporting year?	No

Opioid Settlement Funding Report		
Sub Division: Sparta Township		
	State ID:	NJ218
	County Name:	Sussex
	Address:	65 Main Street, Sparta, New Jersey, 07871
Fiscal Year: 2024		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2023 and 6/30/2024	\$89,710.88
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received since the distribution commenced in 2022:	\$0.00
3	Please tell us the total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022.	\$134,682.47
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2023 - 6/30/2024) :	\$13,136.19
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2023 - 6/30/2024).	\$227.84
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2023 - 6/30/2024) :	\$0.00
8a.	Please provide details about any administrative expenses.	Not applicable
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	\$135,872.76

10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	Sparta's goals for the use of our opioid funds this year have been geared towards community engagement and using our resources to share information and awareness within our community. We have also continued to prioritize program training for our police officers to current best practices. We utilize Sussex County Center for prevention and counseling to help us bring awareness at our community engagement events. They provide professionals to who can directly provide resources to individuals who may be or no someone who may be struggling with addiction or even recovery.
11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	Yes, for this reporting year, we have relied on evidence based informed practices such as the continued funding to our Law Enforcement Against Drugs programming in our schools. Our officers teach LEAD to over 700 students.
12	In this reporting year (7/1/2023 - 6/30/2024), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	No, but plan to in the future
13	Please describe your public engagement/input efforts?	By surveying and working with the Sparta Municipal Alliance Team which funds programs under the Governor's Council on Substance Use Disorder. This council provides prevention planning, public awareness, and administers the alliance to prevent substance use disorder.
14	Does your county/subdivision have a strategic plan?	No, but we plan to in the future
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No
16	Did your subdivision fund any programs using opioid abatement funds in this reporting year?	Yes

	<b>2024 Fiscal Program List</b>	
1	Program Name/Title	Hanging with Heroes
2	Agency/Funding Recipient Name	Sparta Police Department
3	Agency/Funding Recipient Category	Community Based Organizations/Non-Governmental Organizations, County or Municipality (including Departments and Municipal Alliances),First Responders, Law Enforcement, and Emergency Services

8a.	Please provide details about any administrative expenses.	No Administrative costs to date
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	\$9,701.73
10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	We are pushing to educate our future generation not to do drugs by purchasing coloring books and pencils that say don't do drugs

11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	We used evidence informed practices.
12	In this reporting year (7/1/2023 - 6/30/2024), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes, for one year funding
13	Please describe your public engagement/input efforts?	I incorporated our Mayor and Committee and public to discuss the funds
14	Does your county/subdivision have a strategic plan?	Yes
14a	Can we post your strategic plan online?	
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
16	Did your subdivision fund any programs using opioid abatement funds in this reporting year?	No
