Opioid Settlement Funding Report		
Sub Division: Union County		
	State ID:	NJ230
	County Name:	Union
	Address:	10 Elizabethtown Plaza,4th Floor, Elizabeth, New Jersey, 07202
Fiscal Year: 2024		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2023 and 6/30/2024	$1,688,883.12
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received since the distribution commenced in 2022:	$0.00
3	Please tell us the total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022.	$2,420,524.55
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a county and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2023 - 6/30/2024) :	$27,768.84
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2023 - 6/30/2024).	$720,956.91
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2023 - 6/30/2024) :	$141.04
8a.	Please provide details about any administrative expenses.	Union County paid NJ Advance Media for a Public Notice for a Request for Proposal (RFP) of the Opioid Settlement Funds.
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$1,765,159.17

10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	To provide Union County Residents with services to combat the Opioid Crisis. To educate its citizens on the dangers of opioids to prevent deaths caused by overdose.
11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	Union County utilized the list of Opioid Remediation uses as a guide for completing a Community Needs Assessment Survey that was distributed to the public, as well as professionals. Additionally, two community based listening sessions were held to engage the public in feedback for utilizing funds. Information gathered from both the survey and listening sessions was then brought to the Opioid Task Force in order to inform the County's decision to release an RFP based on seven approved uses as its focus for services.
12	In this reporting year (7/1/2023 - 6/30/2024), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes, for one year funding
13	Please describe your public engagement/input efforts?	Union County conducted two listening sessions in August and Sept. of 2023, in both the eastern and western ends of the County, to obtain public input on how to best allocate resources. Additionally, a survey was distributed to residents and professionals in order to identify gaps in the system of care and assist with planning efforts.
14	Does your county/subdivision have a strategic plan?	No
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	Yes
15a	Can we post your risk assessment online?	Yes
16	Did your subdivision fund any programs using opioid abatement funds in this reporting year?	Yes
	2024 Fiscal Program List	
1	Program Name/Title	Transportation
2	Agency/Funding Recipient Name	Prevention Links, Inc.

3	Agency/Funding Recipient Category	Community Based Organizations/Non-Governmental Organizations
4	Primary problem being addressed by this program:	Transportation to Treatment/Recovery Centers
5	Brief program description:	Prevention Links will provide transportation services to and/or from opioid-related treatment, harm reduction, and recovery services programs for Union County residents with opioid use challenges.
6	Program target population:	Children and Young Adults - 19-24 (post-grad through college),First Responders, Law Enforcement and other Emergency Responders, Healthcare Personnel and Workforce, Individuals experiencing Homelessness, Individuals in Recovery, Individuals in Treatment, Individuals involved with the Criminal Justice System, Individuals who Use Drugs, Members of the General Public, Pregnant and Parenting Individuals and their Families, including Babies with Neonatal Abstinence Syndrome
7	Date this program was funded (please use MM/DD/YYYY)	11/1/2023
8	Amount of funding for this program.	$84,105.00
8a.	Amount expended:	$19,706.48
8b.	Amount encumbered/appropriated:	$64,398.52
9	How often are you disbursing funds to this program?	The agency provides monthly reporting.
10	Program Launch Date	11/1/2023
11	Please choose the length of time of this program's duration:	13 months
12	What is the anticipated number of unduplicated clients this program will reach annually?	250

13	Please state this program's statement of impact.	According to the New Jersey Office of the Attorney General, there were 145 suspected overdose deaths in Union County in 2021. That number declined significantly in 2022 to 114, a promising indication that the network of government and community organizations working in coordination to address the opioid crisis have made progress in doing so. However, 114 deaths are still 114 too many, and more than double the number of overdose deaths in the County a decade ago. Naloxone administrations are also on the rise, with 857 administrations in 2022. Harm reduction efforts, including dramatic expansion of the availability of naloxone, fentanyl test strips, and harm reduction services, are saving lives. Approximately 2,000 Union County residents access treatment in a NJ licensed treatment facility each year, vital to the stability and success of long-term recovery outcomes. According to the 2020-2023 Union County Comprehensive Plan for the Organization and Delivery of Alcohol and Drug Abuse Services states, - Approximately 64% of community members surveyed in the Union County Substance Use Questionnaire identified transportation as a barrier to treatment - Transportation is frequently cited as one of the most significant barriers to sustained recovery.
14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Other:	The number of transportation rides provided.
15	How frequently are you measuring the tracked key performance indicators?	Monthly
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	This program aims to diminish transportation as a barrier to recovery. Monthly expenditure and level of service reports will be submitted to the County.
17	Primary Category:	Recovery Supports
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Diversion and Re-entry Support, Harm Reduction and Overdose Prevention, Primary Prevention, Education, and Training,

		Treatment, Wraparound and Connected Care Supports
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Support People in Treatment and Recovery, Connections to Care
20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The overarching goals of the program are as follows: - Increase accessibility of opioid-related treatment, harm reduction, and recovery services - Reduce overdose deaths among Union County residents - Reduce relapse among Union County residents in recovery from a substance use disorder - Increase wellbeing and quality of life for Union County residents in recovery from a substance use disorder The objective will be to provide transportation services to and/or from opioid-related treatment, harm reduction, and recovery services programs for Union County residents with opioid use challenges.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The provider will submit a monthly expenditure report, Service and Reimbursement report, and a travel log along with appropriate back up documents. Once the report is reviewed and approved the finance department will process for payment.
	2024 Fiscal Program List	
1	Program Name/Title	Recovery Peer Outreach Support Team (RPOST)
2	Agency/Funding Recipient Name	New Jersey Association for Mental Health
3	Agency/Funding Recipient Category	Community Based Organizations/Non-Governmental Organizations
4	Primary problem being addressed by this program:	The programs focus is on all levels of recovery and the Maintenance of Recovery.

2	Have there been any modifications or expansions to this program since the initial report? :	Yes, other modifications/expansions
	2a) If yes, please explain:	Education/Training
3	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of training/education sessions:	
4	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No

Opioid Settlement Funding Report		
Sub Division: Cranford Township		
	State ID:	NJ38
	County Name:	Union
	Address:	8 Springfield Avenue, Cranford, New Jersey, 07016
Fiscal Year: 2024		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2023 and 6/30/2024	$46,826.82
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received since the distribution commenced in 2022:	$0.00
3	Please tell us the total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022.	$75,605.67
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2023 - 6/30/2024) :	$9,450.00
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2023 - 6/30/2024).	$0.00
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2023 - 6/30/2024) :	$0.00
8a.	Please provide details about any administrative expenses.	No administrative expenses to report.
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$76,737.90

10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	The purpose of our funding allocation for this reporting period was to expand our Law Enforcement Assisted Diversion (LEAD) abilities with those entering the criminal justice system. By expanding our existing technological infrastructure to target pharmacy crimes, especially prescription fraud, pharmacy burglaries, and crimes involving prescription opioid abuse, our agency focused on placing automated license plate reader (ALPR) systems at major chokepoints in the Township that are near major pharmacies to help identify those individuals perpetrating crimes related to opioids and divert them from the criminal justice system to meaningful rehabilitative drug court options focused on recovery instead of incarceration. In the future, we plan on offering public outreach efforts in the form of Narcan training and distribution of Narcan to layperson caregivers.
11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	Utilizing local, County and State crime trend data and experiences within our jurisdiction involving pharmacy burglaries and motor vehicle pursuits stemming from pharmacy crimes, the Cranford Police Department keyed in on a pattern of criminal activity that circled prescription opioid abuse and its black market. Our needs relate to crimes affecting local business (pharmacies), motor vehicle investigations involving driving under the influence of opioids, and substance use disorder with our young-adult generation. Data is locally gleaned through CAD entries, reports, arrest reports, and medical calls for service. Most opioid-related crimes should result in law enforcement assisted diversion (LEAD), which was a focal point program for this reporting period.
12	In this reporting year (7/1/2023 - 6/30/2024), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	No, but plan to in the future
13	Please describe your public engagement/input efforts?	None completed in this round of reporting.
14	Does your county/subdivision have a strategic plan?	No

15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No
16	Did your subdivision fund any programs using opioid abatement funds in this reporting year?	Yes
	2024 Fiscal Program List	
1	Program Name/Title	Law Enforcement Assisted Diversion - Pharmacy Fraud
2	Agency/Funding Recipient Name	Cranford Police Department
3	Agency/Funding Recipient Category	First Responders, Law Enforcement, and Emergency Services
4	Primary problem being addressed by this program:	Pharmacy prescription fraud.
5	Brief program description:	Use law enforcement diversion near pharmacies to prevent opioid abuse.
6	Program target population:	Individuals involved with the Criminal Justice System, Individuals who Use Drugs
7	Date this program was funded (please use MM/DD/YYYY)	2/28/2024
8	Amount of funding for this program.	$9,450.00
8a.	Amount expended:	$9,450.00
8b.	Amount encumbered/appropriated:	$0.00
9	How often are you disbursing funds to this program?	Annually
10	Program Launch Date	2/28/2024
11	Please choose the length of time of this program's duration:	1 year
12	What is the anticipated number of unduplicated clients this program will reach annually?	50
13	Please state this program's statement of impact.	By utilizing ALPR systems, our goal is to reduce pharmacy-crimes related to prescription fraud, opioid abuse, and the illegal acquisition of opioids.
14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	

	Reduction in opioid-related incidents:	10
15	How frequently are you measuring the tracked key performance indicators?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	We plan on tracking the anticipated reduction of pharmacy/prescription opioid fraud and thefts through NIBRS reporting, CAD entries, and calls for service.
17	Primary Category:	Harm Reduction and Overdose Prevention
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	None of the above
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction)
20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	By reducing the public's access to opioids, which can lead to or be caused by mental health conditions, our ability to refer those affected by substance use disorder will be increased. Treatment is proven more effective than punitive actions taken by law enforcement.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The Township of Cranford went through the purchase requisition process by identifying credible vendors for ALPR systems, submitting this request through the Township's procurement process (overseen by the QPA and CFO), Township Committee approval, and Township resolution adoption at a public meeting.

Opioid Settlement Funding Report		
Sub Division: Elizabeth City		
	State ID:	NJ54
	County Name:	Union
	Address:	410 Rosehill Place , Elizabeth, New Jersey, 07202
Fiscal Year: 2024		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2023 and 6/30/2024	$558,206.47
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received since the distribution commenced in 2022:	$2,697.33
3	Please tell us the total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022.	$637,712.08
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2023 - 6/30/2024) :	$4,987.70
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2023 - 6/30/2024).	$0.00
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2023 - 6/30/2024) :	$0.00

8a.	Please provide details about any administrative expenses.	Project Recover is a program initiative developed by the city of Elizabeth to confront the current opioid crisis by coordinating with various public, non-profit, private and religious organizations. The Coordinator for this project, Rev. Leonard Grayson, collaborates with city and county stakeholders to create and/or enhance recovery initiatives. Administrative expenses provide the Project Recover Initiative, with an administrative clerk to maintain program records and budget requisites 7 hours per week x 52 weeks = 364 hours x $27.45 = 9,991.80
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$874,724.10
10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	The overarching goal of the City of Elizabeth - Department of Health and Human Resources, is to significantly reduce overdose fatalities while providing assistance to recovery support services for individuals who suffer from Substance Use Disorders (SUDs) and their family members who desire it. A second overarching goal is to assist individuals of color. According to the 2020 US Census the population of Elizabeth is 135,407. 65.3% are of Hispanic descent, 18.7% is of African American decent. According to the New Jersey Office of the Attorney General, when it comes to overdose deaths in New Jersey, Blacks rose 256%, and death among Hispanics rose 189%, compared to a 38% increase among the state's white population. Within the city are 5 zip codes: 07201, 07202, 07206, 07208, 07114. Zip code 07114 has the highest percentage of Blacks, but the lowest percentage of Hispanics. Zip code 07206 has the highest percentage of Hispanics and the second lowest percentage of Blacks. Zip code 07201 has neither a high rate of Blacks nor Hispanics but has the highest rate of overdose incidents. That is most likely because it is the main transportation corridor where buses stops, and the local train station is located. In can be argued that this location is where most drug activity tasks place. Our core values are built on equity: a belief that everyone should have the opportunity to

		reach their maximum potential. That opportunity comes through equal access to education, healthcare, employment, housing, and other forms of assistance that could potentially break cycles of recidivism, relapse, poverty, and negative internal/external environmental conditions that hinder individual progress.

11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	In 2019, the City of Elizabeth was awarded an Overdose Fatality Review Team (OFRT) grant by the New Jersey Department of Health (NJDOH). This grant aids in the development of a task force referred to as the Elizabeth Overdose Fatality Review Team (E-OFRT). It involves a case review process that generates information about decedents and their interaction with our services and systems. The information gathered is used to craft programs and policy recommendations in Elizabeth and Union County that address Substance Use Disorders (SUD's) and support recovery services to prevent similar deaths. The information shared at an E-OFRT meeting by participating public, private, non-profit and religious organizations is used to create a profile of the decedents life and interaction with various support systems to identify: 1) Missed opportunities, 2) Gaps in the system and, 3) Potential interventions. The goals of the E-OFRT are, 1) Prevent future overdose deaths city and county wide, 2) Promote changes at the organization, community, or systems level like changes in partnerships, policies and practices that can contribute to the prevention of opioid overdose deaths, 3) Improve coordination and collaboration among agencies, 4) Identify the specific risk factors that put individuals at risk for drug overdose within a particular jurisdiction and, 5) Formulate recommendations for change. The policy and programmatic recommendations are referred to the City of Elizabeth Department of Health and Human Services for implementation (where applicable).
12	In this reporting year (7/1/2023 - 6/30/2024), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes, for one year funding

13	Please describe your public engagement/input efforts?	The objective of the coordinator for Project Recover is, through the recommendations of the OFRT (and other evidenced based strategies) is to enhance recovery support program delivery, which includes but is not limited to, 1) Linkages To Care (follow-up after an overdose incident), 2) Harm Reduction, 3) Stigma Reduction, 4) Communication Campaign (messaging component) and 5) Surveillance and Data Collection. Through the assistance of the City of Elizabeth Department of Health and Human Services, through the National Opioid Abatement Trust and other grant resources, we are able to provide financial, intellectual, informational, physical, and logistical resources to enhance the effectiveness, efficiency of partnering organizations. Through training, informational workshops and direct referral services, we also engage directly with employees, the public at large, family members of people with SUD's and individuals who suffer from SUDs.
14	Does your county/subdivision have a strategic plan?	No, but we plan to in the future
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
16	Did your subdivision fund any programs using opioid abatement funds in this reporting year?	Yes
	2024 Fiscal Program List	
1	Program Name/Title	Project Recover
2	Agency/Funding Recipient Name	City of Elizabeth
3	Agency/Funding Recipient Category	County or Municipality (including Departments and Municipal Alliances)
4	Primary problem being addressed by this program:	Overdose Fatalities
5	Brief program description:	Project Recover addresses overdose fatalities in the City of Elizabeth by planning and implementing evidence based programmingsinnovte n

6	Program target population:	First Responders, Law Enforcement and other Emergency Responders, Individuals experiencing Homelessness, Individuals in Recovery, Individuals in Treatment, Individuals involved with the Criminal Justice System, Individuals who Use Drugs, Members of the General Public
7	Date this program was funded (please use MM/DD/YYYY)	1/1/2023
8	Amount of funding for this program.	$76,000.00
8a.	Amount expended:	$4,987.70
8b.	Amount encumbered/appropriated:	$76,000.00
9	How often are you disbursing funds to this program?	Annually
10	Program Launch Date	1/1/2023
11	Please choose the length of time of this program's duration:	5+ years
12	What is the anticipated number of unduplicated clients this program will reach annually?	100
13	Please state this program's statement of impact.	The mission of Project Recover is to decrease opioid fatalities in the city of Elizabeth. In 2023, the city of Elizabeth began to implement 4 main strategies to decrease opioid fatalities. The first was Linkages to Care. This component addresses access to resources for individuals involved in an overdose incident. The second is Harm Reduction Services. This component assists individuals with substance use disorders (SUDs)that are not ready for recovery. The third is Stigma Reduction. This component deals with the barriers to pursuing recovery support. The fourth is a communications campaign. This component is designed to bring resource information to people with SUD's, family members of individuals with SUD's and the general public at large. The fifth is, data and surveillance. This component allows us to collect and analyze data for program outcome evaluation. Ultimately, the impact is to assist every resident with the tools for recovery. Program implementation and sustainability is key to the overall impact of decreasing overdose fatalities.

14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	0
	Reduction in opioid-related incidents:	0
	Number of training/education sessions:	0
	Increased community awareness (please describe):	75
	Number of referrals to treatment	
	Other:	While 2023-24 was our first full fiscal cycle. our concentration is on program development and implementation. in the fiscal year 24-25 is where most of the data will come from for the first year of implementation.
15	How frequently are you measuring the tracked key performance indicators?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Project Recover is creating a data framework to evaluate program outcomes on three specif areas of programming. 1. Linkage to Care. 2. Stigma Reduction, and 3. Communications Campaign
17	Primary Category:	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Treat Opioid Use Disorder (OUD),Support People in Treatment and Recovery, Connections to Care, Address the Needs of Criminal Justice-Involved Persons, Prevent Overdose Deaths and Other Harms (Harm Reduction),First Responders, Leadership, Planning and Coordination, Training

20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	First, the primary purpose of this program is to decrease opioid fatalities in the City fo Elizabeth. Through our partners, we aim to address this issue by first ue sig methods that deal with Harm Reduction. This first point of concern deals directly with those who are still actively using. These individuals have the highest percentage of potential overdoses. Our work with the local hospital and local recovery based support organizations help us to recognize and address individuals with co-occurring conditions. Through these relationships, we try to create continuum of care and programming that is evidence-based and properly addressed by organizations that are experienced or experts in their particular areas of focus.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The problem being addressed is the increasing levels of overdose fatalities. The program development oversight is under the supervision of the Director of the City of Elizabeth Department of health and Human Services, the City Health Manager and the City es ar emadeProgram Monitor. The city department of Purchasing requires budget requisites and pre-approved vendors before purchases are made. The city of Elizabeth follows all internal protocols for program implementation and budget acquitions are approved.
	2023 Fiscal Program List	
1	Program Name/Title	Project Recover
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, other modifications/expansions
	2a) If yes, please explain:	We do not have a risk assessment to date
3	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Other:	no risk assessment

4	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	Yes
	4a) If yes, please explain:	We do not have a risk assessment to date

Opioid Settlement Funding Report		
Sub Division: Hillside Township		
	State ID:	NJ93
	County Name:	Union
	Address:	1409 Liberty Avenue, Hillside, New Jersey, 07205
Fiscal Year: 2024		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2023 and 6/30/2024	$0.00
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received since the distribution commenced in 2022:	$0.00
3	Please tell us the total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022.	$35,913.06
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2023 - 6/30/2024) :	$0.00
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2023 - 6/30/2024).	$0.00
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2023 - 6/30/2024) :	$0.00
8a.	Please provide details about any administrative expenses.	None to date.
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$35,913.06
10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	NA

11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	NA
12	In this reporting year (7/1/2023 - 6/30/2024), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	No, but plan to in the future
13	Please describe your public engagement/input efforts?	NA
14	Does your county/subdivision have a strategic plan?	No, but we plan to in the future
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
16	Did your subdivision fund any programs using opioid abatement funds in this reporting year?	No

Opioid Settlement Funding Report		
Sub Division: Linden City		
	State ID:	NJ110
	County Name:	Union
	Address:	134 Evergreen Place, Suite 301, East Orange, New Jersey, 07018
Fiscal Year: 2024		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2023 and 6/30/2024	$214,554.82
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received since the distribution commenced in 2022:	$1.00
3	Please tell us the total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022.	$325,661.93
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2023 - 6/30/2024) :	$0.00
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2023 - 6/30/2024).	$48,000.00
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2023 - 6/30/2024) :	$0.00
8a.	Please provide details about any administrative expenses.	N/A
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$375,165.48
10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	The $48,000.00 appropriation was for the consultants who are professionals in the area of behavioral health and substance abuse abatement. We have not been able to secure professionals for the 2024 year.

11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	During 2023 we were in the fact finding and data collection process to determine where to focus and how to best use the funds. There were several officials who were consulted including the police and fire and school liaison for the needs assessment.
12	In this reporting year (7/1/2023 - 6/30/2024), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes, for multiple year funding
12	In this reporting year (7/1/2023 - 6/30/2024), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	Stakeholders including school liaison, fire department, superior officers of the linden police department, council members and Linden Confidential staff and attorneys.
13	Please describe your public engagement/input efforts?	Stakeholders as stated above
14	Does your county/subdivision have a strategic plan?	No, but we plan to in the future
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
16	Did your subdivision fund any programs using opioid abatement funds in this reporting year?	No

Opioid Settlement Funding Report		
Sub Division: New Providence Borough		
	State ID:	NJ155
	County Name:	Union
	Address:	360 Elkwood Avenue, NEW PROVIDENCE, New Jersey, 07974
Fiscal Year: 2024		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2023 and 6/30/2024	$20,189.59
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received since the distribution commenced in 2022:	$0.00
3	Please tell us the total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022.	$33,025.91
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2023 - 6/30/2024) :	$4,450.00
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2023 - 6/30/2024).	$0.00
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2023 - 6/30/2024) :	$0.00
8a.	Please provide details about any administrative expenses.	
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$30,366.71
10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	Our goal is to educate the public on Opioid use, treatment and disposal.

11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	We relied on the list of Opioid Remediation uses.
12	In this reporting year (7/1/2023 - 6/30/2024), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes, for one year funding
13	Please describe your public engagement/input efforts?	The stakeholders involved in making decisions on how to spend the money include the mayor and council, School District Administration, Municipal Alliance, POlice Department, EMS, and Fire.
14	Does your county/subdivision have a strategic plan?	No, but we plan to in the future
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
16	Did your subdivision fund any programs using opioid abatement funds in this reporting year?	Yes
	2024 Fiscal Program List	
1	Program Name/Title	Drug Disposal
2	Agency/Funding Recipient Name	Municipal Alliance/New Providence Police Department
3	Agency/Funding Recipient Category	County or Municipality (including Departments and Municipal Alliances)
4	Primary problem being addressed by this program:	Drug Disposal
5	Brief program description:	Providing reusable drug disposal solutions for the prevention of diversion and substance abuse.

6	Program target population:	Children and Young Adults - 14-18 (high school aged),Children and Young Adults - 19-24 (post-grad through college),First Responders, Law Enforcement and other Emergency Responders,Members of the General Public
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2023 - 6/30/2024)	$45,443.00
8	Amount of funding for this program.	$4,800.00
8a.	Amount expended:	$2,400.00
8b.	Amount encumbered/appropriated:	$0.00
9	How often are you disbursing funds to this program?	Annually
10	Program Launch Date	08/05/2024
11	Please choose the length of time of this program's duration:	5+ years
12	What is the anticipated number of unduplicated clients this program will reach annually?	1500
13	Please state this program's statement of impact.	To prevent the negative affects of the opioid epidemic and improve public and environmental health.
14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	To date we have distributed approximately 200 drug disposal packets. The Police and the municipal alliance will be handing them out at community events in between our Annual Drug Take Back event
15	How frequently are you measuring the tracked key performance indicators?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Reduce the amount of medication available in people's homes
17	Primary Category:	Harm Reduction and Overdose Prevention
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Diversion and Re-entry Support
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Prevent Overdose Deaths and Other Harms (Harm Reduction)

20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The program will reduce the risk of accidental ingestion, reduce access and prevent diversion.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The Borough procured the individual packets through our purchasing system. PO # 24-01161 and dispersed to the municipal alliance and the PD.
	2024 Fiscal Program List	
1	Program Name/Title	Opioid Awareness Campaign
2	Agency/Funding Recipient Name	Borough of New Providence
3	Agency/Funding Recipient Category	County or Municipality (including Departments and Municipal Alliances)
4	Primary problem being addressed by this program:	Connecting people who need help to the people they need and awareness
5	Brief program description:	Bi-Annual postcard campaign
6	Program target population:	Children and Young Adults - 14-18 (high school aged),Children and Young Adults - 19-24 (post-grad through college),Individuals in Recovery,Individuals in Treatment,Individuals involved with the Criminal Justice System,Individuals who Use Drugs,Members of the General Public
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2023 - 6/30/2024)	$45,315.00
8	Amount of funding for this program.	$7,500.00
8a.	Amount expended:	$2,050.00
8b.	Amount encumbered/appropriated:	$0.00
9	How often are you disbursing funds to this program?	3 times per year
10	Program Launch Date	01/24/2024
11	Please choose the length of time of this program's duration:	5+ years
12	What is the anticipated number of unduplicated clients this program will reach annually?	6000
13	Please state this program's statement of impact.	Reducing the risk of drug misuse by distributing prevention tools to a large population

14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Increased community awareness (please describe):	Encourages people to learn the signs of opioid addiction and where they can get hlp.
15	How frequently are you measuring the tracked key performance indicators?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Fewer calls to 911 for overdose assistance
17	Primary Category:	Harm Reduction and Overdose Prevention
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Recovery Supports
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Connections to Care,Prevent Misuse of Opioids,Prevent Overdose Deaths and Other Harms (Harm Reduction)
20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	It will provide valuable information on opioid addiction, how to seek help and the signs of an overdose.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The borough has been working with our printer using information from the CDC website to print and mail the postcards to each home - PO # 24-00179

Opioid Settlement Funding Report		
Sub Division: Plainfield City		
	State ID:	NJ182
	County Name:	Union
	Address:	515 Watchung Avenue, Plainfield, New Jersey, 07060
Fiscal Year: 2024		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2023 and 6/30/2024	$275,215.27
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received since the distribution commenced in 2022:	$0.00
3	Please tell us the total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022.	$335,215.27
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2023 - 6/30/2024) :	$0.00
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2023 - 6/30/2024).	$0.00
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2023 - 6/30/2024) :	$0.00
8a.	Please provide details about any administrative expenses.	
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$335,215.27
10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	Prospective

11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	Prospective
12	In this reporting year (7/1/2023 - 6/30/2024), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	No, but plan to in the future
13	Please describe your public engagement/input efforts?	Prospective
14	Does your county/subdivision have a strategic plan?	No, but we plan to in the future
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
16	Did your subdivision fund any programs using opioid abatement funds in this reporting year?	No
	2023 Fiscal Program List	
1	Program Name/Title	Narcan
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, other modifications/expansions
	2a) If yes, please explain:	Narcan is provided for free and the original $60,000 has been canceled.
3	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	0
4	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	Yes

	4a) If yes, please explain:	$60,000 previously reported is uncommitted as of 6/30/2024.

Opioid Settlement Funding Report		
Sub Division: Rahway City		
	State ID:	NJ188
	County Name:	Union
	Address:	1 City Hall Plaza, Rahway, New Jersey, 07065
Fiscal Year: 2024		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2023 and 6/30/2024	$71,965.44
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received since the distribution commenced in 2022:	$0.00
3	Please tell us the total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022.	$115,148.66
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2023 - 6/30/2024) :	$15,805.55
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2023 - 6/30/2024).	$0.00
8	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	0
8a.	Please provide details about any administrative expenses.	N/A
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$40,886.45

10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	The goal is to implement prevention initiatives targeting children to reduce substance abuse and addiction. Focusing on children is crucial because intervening during these formative years can prevent the onset of substance use and decrease the likelihood of addiction later in life. Furthermore, education and awareness play a vital role in empowering youth with accurate, age-appropriate information about the risks associated with substance use, fostering a culture of informed decision-making and prevention.
11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	Funding was used to enhance community awareness and education by implementing the Law Enforcement Against Drugs & Violence (LEAD) curriculum.
12	In this reporting year (7/1/2023 - 6/30/2024), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	No, but plan to in the future
13	Please describe your public engagement/input efforts?	The Rahway Health Department and the Rahway Police Department are convening to analyze data pertaining to opioids. This data is being used to develop out strategic plan.
14	Does your county/subdivision have a strategic plan?	No, but we plan to in the future
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
16	Did your subdivision fund any programs using opioid abatement funds in this reporting year?	Yes
	2024 Fiscal Program List	
1	Program Name/Title	6th Grade Drug Prevention Program
2	Agency/Funding Recipient Name	City of Rahway

3	Agency/Funding Recipient Category	County or Municipality (including Departments and Municipal Alliances)
4	Primary problem being addressed by this program:	The primary problem being addressed by this program is the rising prevalence of substance use among youth, particularly the increasing rates of opioid use disorder (OUD) and associated mental health challenges. As adolescents face significant pressures related to peer influence, mental health issues, and access to substances, the program aims to provide them with critical knowledge and skills to make informed decisions regarding drug use. Specifically, the program targets several key issues, including the lack of awareness about the risks associated with drug use, particularly opioids and their potential for addiction. It seeks to educate students about the dangers and consequences of substance use, while also addressing the pervasive issue of peer pressure, which often leads young people to experiment with drugs. By equipping students with practical strategies to resist such pressures, the program fosters healthier decision-making. Additionally, the program acknowledges the strong correlation between substance use and mental health conditions, addressing the emotional triggers that may lead to drug use and promoting healthy coping mechanisms for managing stress, anxiety, and other challenges. By targeting 6th graders, the program aims for early intervention before substance use habits are formed, thereby reducing the likelihood of drug experimentation during adolescence. Ultimately, by addressing these interconnected issues, the program aims to create a preventive framework that empowers youth to make informed decisions, fosters resilience, and promotes overall well-being, ultimately reducing the risk of substance use and its associated negative outcomes in the community. No drug prevention program in place for this age group. Consequences of first time use as it relates to addiction.

5	Brief program description:	The drug prevention program for 6th graders is an evidence-based initiative designed to educate students about the risks associated with substance use, particularly focusing on opioids. Conducted on May 17, 2024, by the Rahway Health Department and the Rahway Police Department in partnership with the Rahway Board of Education and Hackensack Meridian, the program utilizes the Law Enforcement Against Drugs & Violence (LEAD) curriculum. This interactive program aims to enhance students' knowledge of drug risks, improve their decision-making skills, and build their confidence in resisting peer pressure. Through engaging activities, discussions, and real-life scenarios, participants learn about the consequences of drug use and develop healthy coping strategies for managing stress and emotional challenges. The program not only addresses substance use prevention but also fosters a collaborative approach among community stakeholders, emphasizing the importance of a supportive environment for youth. By empowering students with the skills and knowledge needed to make informed choices, the program aims to reduce the likelihood of drug experimentation and promote overall well-being.
6	Program target population:	Children and Young Adults - 0-13 (through 8th grade)
7	Date this program was funded (please use MM/DD/YYYY)	05/17/2024
8	Amount of funding for this program.	$71,965.44
8a.	Amount expended:	$15,805.55
8b.	Amount encumbered/appropriated:	$15,805.55
9	How often are you disbursing funds to this program?	One time only
10	Program Launch Date	05/17/2024
11	Please choose the length of time of this program's duration:	One time only
12	What is the anticipated number of unduplicated clients this program will reach annually?	240

13	Please state this program's statement of impact.	On May 17, 2024, the Rahway Health Department and the Rahway Police Department, in partnership with the Rahway Board of Education and Hackensack Meridian, conducted a one-time drug prevention program for 6th graders, utilizing the Law Enforcement Against Drugs & Violence (LEAD) curriculum. The program had a significant impact on participants by providing them with the knowledge and skills to make informed decisions about substance use. Using LEAD's evidence-based framework, the program offered interactive discussions, engaging activities, and age-appropriate educational content to help students understand the physical, emotional, and social risks of drug use. The LEAD curriculum emphasized the importance of resisting peer pressure and provided practical strategies for building self-confidence and resilience. By fostering open dialogue on healthy lifestyle choices and promoting mental and emotional well-being, the program empowered students to adopt positive coping mechanisms. Feedback from students and teachers showed that the program left a lasting impression, encouraging students to think critically about the long-term effects of drug use. As a preventive measure, it aimed to reduce the likelihood of drug experimentation during adolescence, a crucial time for forming lifelong behaviors. This collaborative initiative, driven by the Rahway Health Department, Rahway Police Department, Rahway Board of Education, and Hackensack Meridian, laid the foundation for continued drug prevention efforts and underscored the value of early intervention in shaping responsible, healthy decision-making among youth.
14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	240

15	How frequently are you measuring the tracked key performance indicators?	Event specific
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	The drug prevention program for 6th graders, using the Law Enforcement Against Drugs & Violence (LEAD) curriculum, aims to achieve several key outcomes: increasing students' knowledge of the physical, emotional, and social risks associated with drug use; enhancing their decision-making skills; building confidence in resisting peer pressure; and ultimately preventing early drug experimentation. The program also seeks to strengthen community collaboration between the Rahway Health Department, Rahway Police Department, Rahway Board of Education and Hackensack Meridian to bolster overall prevention efforts.
17	Primary Category:	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	None of the above
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Prevent Misuse of Opioids
20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	This program will address opioid use disorder (OUD) and co-occurring substance use disorders (SUDs) or mental health conditions by leveraging evidence-based and evidence-informed practices embedded within the Law Enforcement Against Drugs & Violence (LEAD) curriculum. The program emphasizes early prevention by targeting youth, a critical period where foundational attitudes and behaviors toward substance use and mental health are formed.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	LEAD curriculum was implemented as this is an evidence- based program.

Opioid Settlement Funding Report		
Sub Division: Roselle Borough		
	State ID:	NJ201
	County Name:	Union
	Address:	108 West Third Ave, Roselle, New Jersey, 07203
Fiscal Year: 2024		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2023 and 6/30/2024	$65,380.30
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received since the distribution commenced in 2022:	$0.00
3	Please tell us the total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022.	$85,977.21
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2023 - 6/30/2024) :	$0.00
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2023 - 6/30/2024).	$0.00
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2023 - 6/30/2024) :	$0.00
8a.	Please provide details about any administrative expenses.	
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$89,526.99

10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	The Borough conducted two meetings in July and August of this year to discuss a plan to best utilize the received and future Opioid Settlement monies. The Borough feels that expanding our drug abuse education programs to reach a wider audience, with a particular focus on our youth, provides the clearest value to our community.
11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	The Borough is working with our existing Municipal Alliance team members and 3rd party vendors to develop an education plan catered to our school children and young adults.
12	In this reporting year (7/1/2023 - 6/30/2024), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	No, but plan to in the future
13	Please describe your public engagement/input efforts?	We plan to hold Town Halls seeking the public's input on our proposed spending plans.
14	Does your county/subdivision have a strategic plan?	No, but we plan to in the future
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
16	Did your subdivision fund any programs using opioid abatement funds in this reporting year?	No
