Opioid Settlement Funding Report		
Sub Division: Hudson County		
	State ID:	NJ99
	County Name:	Hudson
	Address:	830 Bergen Ave, 2B, Jersey City, New Jersey, 07306
Fiscal Year: 2025		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2024 and 6/30/2025	$460,008.16
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received between 7/1/2024 and 6/30/2025	$0.00
3	The total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022 (Total amount including Interest Accrued):	$1,639,073.79
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a county and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2024 - 6/30/2025) :	$362.34
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2024 - 6/30/2025).	$0.00
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2024 - 6/30/2025) :	$362.34
8a.	Please provide details about any administrative expenses.	An expense is related to doing an opioid settlement survey. Translation services were provided in Spanish and Arabic.
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$1,638,711.45

10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	Goals and priorities for Hudson County are to provide funding for critical support services for Hudson County residents who could potentially be impacted by the opioid epidemic and those that have already been negatively impacted by the epidemic. As a first step, a survey will be disseminated to the public to garner their input (translated into other languages as necessary) and the county will engage in a public education/awareness campaign as well as a provider capacity assessment. The goal is to educate the public on the dangers of opioids, prevent or mitigate the misuse of substances, educate residents about available resources and supports, minimize barriers that limit access to services by ensuring the basic needs of Hudson County residents are met, ensure that socioeconomic status, education and access to legal services are not barriers to recovery and support the existing infrastructure of service providers that already exist in the County.
11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	The Opioid Settlement Advisory Council was utilized in all aspects of planning and have recommended how funds will be utilized during regular planning meetings. The group agreed evidenced informed practices/strategies were best to utilize and also made sure to review/discuss/understand the Opioid Remediation uses to inform the direction and scope of the planning meetings.
12	In this reporting year (7/1/2024 - 6/30/2025), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes, for multiple year funding
12	In this reporting year (7/1/2024 - 6/30/2025), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	The number of years is not yet determined.

13	Please describe your public engagement/input efforts?	A County-wide survey will be distributed and we will plan listening sessions throughout the County to solicit public input.
14	Does your county/subdivision have a strategic plan?	No
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
16	Did your subdivision fund any new programs using opioid abatement funds in this reporting year?	No

Opioid Settlement Funding Report		
Sub Division: Bayonne City		
	State ID:	NJ6
	County Name:	Hudson
	Address:	630 Avenue C, Bayonne, New Jersey, 07002
Fiscal Year: 2025		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2024 and 6/30/2025	$510,163.93
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received between 7/1/2024 and 6/30/2025	$0.00
3	The total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022 (Total amount including Interest Accrued):	$1,837,123.66
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2024 - 6/30/2025) :	$233,349.42
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2024 - 6/30/2025).	$229,401.69
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2024 - 6/30/2025) :	$0.00
8a.	Please provide details about any administrative expenses.	N/A
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$1,262,481.31
10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	The City of Bayonne's Opioid Mitigation Management Plan is built on a phased approach starting with a Population Diagnosis showing a high prevalence of risk for OUD/SUD related

10 cont.	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions cont.	to the Nationwide Opioid Crisis. Immediate Goals: 1. To < the number of overdoses/overdose deaths within Bayonne 2. Provide needed infrastructure and tools to support Municipal First Responders (BFD/BPD) responding/administering life-saving treatment, education, and professional development 3. Provide access to treatment/support and < number of residents suffering with OUD/SUD in the City of Bayonne.
11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	Evidenced based data gathered by the City of Bayonne Health Department, Bayonne Public Safety Divisions Fire and Police Departments as well as the Local EMS assisted in developing a multi-phased strategic Opioid Mitigation Management Plan utilizing the list of Opioid Remediation Guidance and Approved Uses to prioritize use of the available funding to maximize and implement a phased strategic plan of action. We have designed a sustainable program which will meet the goals of 1. Risk Mitigation and Management 2. Education and Professional Development 3. Strategic support and mobile interventions for Overdoses/OUD/SUD and follow-up treatment. The City of Bayonne is committed to developing a sound infrastructure utilizing interprofessional collaboration with community stakeholders and resources through evidenced based data, informed practices, and professional development to widen our reach within not only the targeted population but the community as a whole.
12	In this reporting year (7/1/2024 - 6/30/2025), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes, for multiple year funding
12a	Please select years range:	3 - 5 years

13	Please describe your public engagement/input efforts?	Thus far the City of Bayonne's public outreach included stakeholders in the Bayonne Board of Education Administration joining in partnership to allow us to implement the LEADS program for our youth population. Education and professional development are key strategies which have been prioritized to ensure our younger population is educated as to the dangers of OPIOID USE and exposure. These strategies support efforts to strengthen relationships with positive role models within the community. Developing a positive relationship with the LEADS community has been proven to be a successful strategy as shown through evidenced based data showing the formerly known as D.A.R.E. program to be highly influential in mitigating risk for OPIOID and Drug USE as well as providing a positive role model leading to a successful future while enhancing outcomes, health equity, and workforce development.
14	Does your county/subdivision have a strategic plan?	Yes
14a	Can we post your strategic plan online?	
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
16	Did your subdivision fund any new programs using opioid abatement funds in this reporting year?	Yes
	2025 Fiscal Program #1	
1	Program Name/Title	LEADS Program
2	Agency/Funding Recipient Name	Bayonne Police Department
3	Agency/Funding Recipient Category	County or Municipality (including Departments and Municipal Alliances); Schools, Colleges, Universities

4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2024 - 6/30/2025) :	$84,676.37
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2024 - 6/30/2025).	$0.00
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2024 - 6/30/2025) :	$12,292.00
8a.	Please provide details about any administrative expenses.	Meetings were held both virtually and in-person to discuss the one-time day event. Meetings are orchestrated by Berlyne Vilcant, Assistant Health Officer. 10% of her daily activities was devoted to this program as well as the management of the funds.
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$227,284.25

10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	The overarching goal is to equip the residents of Hoboken with the information, tools and resources to combat the Opioid crisis.
11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	The decision to use these funds for a one-day event stemmed from conversations from different departments in the City. We have never held an Opioid Awareness Day event before and this was the perfect opportunity to introduce the community to an awareness event to gauge their perspective about opioids.
12	In this reporting year (7/1/2024 - 6/30/2025), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes, for multiple year funding
12a	Please select years range:	3 - 5 years
13	Please describe your public engagement/input efforts?	We decided to hold the event at a location where the community has experienced drug use to offer resources, introduce community policing, carved some time for public speaking from one of their own who experienced overdose and overcame the battle and distributed a short survey to the attendees to gain intel on what they know opioids are, impacts of use/misuse, and resources available. Flyers and nixle announcements were done to inform the community about the event.
14	Does your county/subdivision have a strategic plan?	No
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No
16	Did your subdivision fund any new programs using opioid abatement funds in this reporting year?	Yes
	2025 Fiscal Program #1	
1	Program Name/Title	Staff salaries
2	Agency/Funding Recipient Name	City of Hoboken

3	Agency/Funding Recipient Category	County or Municipality (including Departments and Municipal Alliances)
4	Primary problem being addressed by this program:	Prevention and Recovery Support
5	Brief program description:	Settlement funds were used to partially fund social workers' salary for day-to-day activities including linking opioid users to treatment through referral and providing the mental and emotional support to the homeless who heading towards opioid use.
6	Program target population:	Individuals experiencing Homelessness; Individuals in Recovery; Individuals who Use Drugs; Members of the General Public
7	Date this program was funded (please use MM/DD/YYYY)	06/30/2025
8	Amount of funding for this program.	$70,351.99
8a.	Amount expended:	$70,351.99
8b.	Amount encumbered/appropriated:	$0.00
9	How often are you disbursing funds to this program?	Annually
10	Program Launch Date	07/01/2024
11	Please choose the length of time of this program's duration:	5+ years
12	What is the anticipated number of unduplicated clients this program will reach annually?	50
13	Please state this program's statement of impact.	Residents of Hoboken will have access to referrals for prevention, treatment and recovery through our dedicated Social Workers.
14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	50
	Number of services provided/encounters:	300
	Increased community awareness (please describe):	1
	Number of referrals to treatment	15
15	How frequently are you measuring the tracked key performance indicators?	Quarterly

16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	The outcomes we are looking to achieve is increased awareness, increased knowledge of narcan usage, taking advantage of the resources available, decreased opioid usage and decreased hospitalizations related to opioid use.
17	Primary Category:	Harm Reduction and Overdose Prevention
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Primary Prevention, Education, and Training; Recovery Supports; Wraparound and Connected Care Supports
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Support People in Treatment and Recovery, Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction)
20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	Our social workers are trained and licensed staff members who are equipped with the education and experience to address person who with co-occurring substance use disorders. They have partnered with a variety of organizations to offer referrals to the many services offered in the county.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	Settlement funds are deposited into the City's account resulting to ability to utilize funding for staff salaries.
	2025 Fiscal Program #2	
1	Program Name/Title	Opioid Awareness Day Event
2	Agency/Funding Recipient Name	City of Hoboken
3	Agency/Funding Recipient Category	County or Municipality (including Departments and Municipal Alliances)
4	Primary problem being addressed by this program:	Prevention and Education
5	Brief program description:	Settlement funds was used to host an awareness event that included former drug addict as the guest speaker, Narcan training and distribution of narcan kits, food, ice cream incentive after completing a survey and vendors that had resources available.
6	Program target population:	Children and Young Adults - 19-24 (post-grad through college); Individuals experiencing Homelessness; Individuals in Recovery;

6 cont.	Program target population: cont.	Individuals in Treatment; Individuals involved with the Criminal Justice System; Individuals who Use Drugs; Members of the General Public
7	Date this program was funded (please use MM/DD/YYYY)	08/16/2024
8	Amount of funding for this program.	$2,032.38
8a.	Amount expended:	$2,032.38
8b.	Amount encumbered/appropriated:	$0.00
9	How often are you disbursing funds to this program?	One time only
10	Program Launch Date	08/16/2024
11	Please choose the length of time of this program's duration:	One time only
12	What is the anticipated number of unduplicated clients this program will reach annually?	50
13	Please state this program's statement of impact.	This program had a genuine impact on the residents of Hoboken. This is the first time an Awareness event has occurred in this capacity where residents were offered an open space to talk about the effects and impacts of Opioid use. They were appreciative of the information/resources available. They enjoyed listening to one of their own who recovered from opioid use and who now works for the City of Hoboken. The mocktails that was offered were a hit as well.
14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	45
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	45
	Number of training/education sessions:	2
	Increased community awareness (please describe):	The intent is to have people yearning to learn more about Opioids and gain interests.
15	How frequently are you measuring the tracked key performance indicators?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	The impact the program aim to achieve is increased awareness, more informed individuals, and access to treatment and recovery services

17	Primary Category:	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention; Wraparound and Connected Care Supports
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Connections to Care, Prevent Overdose Deaths and Other Harms (Harm Reduction), Leadership, Planning and Coordination, Training
20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	Through the surveys we distributed, the information collected will guide us to better shape the future program. In addition, we are looking to hire an outside agency to conduct evidence-based data (such as reason for usage, access to the drugs, location of usage, etc.) on those seen in the ED related to Opioid use.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The planning team for this event outlined the goals of the program and brainstormed on the type of vendors we would need to ensure a successful event. Quotes were obtained from each vendor and submitted to our Purchasing dept for approval. The Fiscal team also is made aware of the proposed expenditure to ensure we are aligned with the allowable cost table. Upon approvals from both departments, purchase orders are created, invoices are submitted after services have been delivered and vendors/items are paid. This is the process we intend to use for every service we procure.

Opioid Settlement Funding Report		
Sub Division: Jersey City		
	State ID:	NJ104
	County Name:	Hudson
	Address:	1 Jackson Square,Dr. MLK Jr, City Hall Annex, Jersey City, New Jersey, 07305
Fiscal Year: 2025		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2024 and 6/30/2025	$334,923.36

Opioid Settlement Funding Report		
Sub Division: North Bergen Township		
	State ID:	NJ158
	County Name:	Hudson
	Address:	4233 Kennedy Blvd, North Bergen, New Jersey, 07047
Fiscal Year: 2025		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2024 and 6/30/2025	$41,145.79
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received between 7/1/2024 and 6/30/2025	$0.00
3	The total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022 (Total amount including Interest Accrued):	$181,001.86
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2024 - 6/30/2025) :	$32,628.66
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2024 - 6/30/2025).	$65,098.66
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2024 - 6/30/2025) :	$0.00
8a.	Please provide details about any administrative expenses.	N/A
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$83,274.54

10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	Opioid funds have been used toward the municipality's LEAD program with emphasis on student tutoring. Funds are being used to support the Township's anti-drug coalitions and public safety efforts. Looking forward, we plan to use more of these funds for education and public outreach efforts.
11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	The Township used both an evidence-informed practice, as well as referencing the Opioid Remediation uses.
12	In this reporting year (7/1/2024 - 6/30/2025), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	No, but plan to in the future
13	Please describe your public engagement/input efforts?	N/A
14	Does your county/subdivision have a strategic plan?	No, but we plan to in the future
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
16	Did your subdivision fund any new programs using opioid abatement funds in this reporting year?	Yes
	2025 Fiscal Program #1	
1	Program Name/Title	North Bergen Police Department K-9 Unit
2	Agency/Funding Recipient Name	Township of North Bergen
3	Agency/Funding Recipient Category	County or Municipality (including Departments and Municipal Alliances);First Responders, Law Enforcement, and Emergency Services
4	Primary problem being addressed by this program:	Distribution and exposure of illegal substances

5	Brief program description:	Purchase of a trained drug-sniffing K9 and all related accessories to abate the illegal distribution of drugs.
6	Program target population:	Children and Young Adults - 0-13 (through 8th grade); Children and Young Adults - 14-18 (high school aged); Children and Young Adults - 19-24 (post-grad through college); Individuals who Use Drugs; Members of the General Public
7	Date this program was funded (please use MM/DD/YYYY)	03/20/2025
8	Amount of funding for this program.	$75,000.00
8a.	Amount expended:	$0.00
8b.	Amount encumbered/appropriated:	$65,098.66
9	How often are you disbursing funds to this program?	One time only
10	Program Launch Date	01/01/2026
11	Please choose the length of time of this program's duration:	Others
11 (a).	Please choose the length of time of this program's duration: - Others	The purchase of this K9 and all related accessories is meant to be an investment toward future law enforcement activities.
12	What is the anticipated number of unduplicated clients this program will reach annually?	60000
13	Please state this program's statement of impact.	The purchase of this K9 and all related accessories is meant to be an investment toward future law enforcement. It will be used for community outreach and education programs in addition to drug enforcement. In order to combat the nation's war on drugs and weapons, a K9 will be used to assist in removing these dangerous items from our streets and reduce overall crime, therefore enhancing the community's safety. It will be used as a preventative method to educate the community and keep drugs off the streets of North Bergen. A K9 program can also support substance abuse by providing animal assisted therapy to individuals with distress due to addiction. It will complement traditional treatments for opioid use disorder by offering support and a therapeutic

13 cont.	Please state this program's statement of impact. cont.	environment.
14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Other:	The program has not yet started. The Township is in the early stages of planning, training and purchasing everything needed to run a successful program.
15	How frequently are you measuring the tracked key performance indicators?	Others:
15 (a).	How frequently are you measuring the tracked key performance indicators? - Others	The program has started yet.
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	The program aims to enhance officer safety, community engagement and deter overall crime. A K9 addition should make public safety operations more efficient and thorough. The K9 will become an effective tool for the police department to help combat the selling and distribution of drugs in the community. Once the program has started, the department will be able to measure its success through the number of seizures performed using the K9, as well as the number of community events it can present it at for the purpose of education and outreach.
17	Primary Category:	Harm Reduction and Overdose Prevention
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Primary Prevention, Education, and Training
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Prevent Misuse of Opioids, Prevent Overdose Deaths and Other Harms (Harm Reduction), First Responders
20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The K9 will become an effective tool for the police department to help combat the selling and distribution of drugs in the community. A K9 program can support substance abuse by providing animal assisted therapy to individuals with distress due to addiction. It will complement traditional treatments for opioid use disorder by offering support and a therapeutic

20 cont.	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies. cont.	environment. As a drug sniffing K9, it will reduce the officers' risk of exposure to synthetic opioids, such as fentanyl, during drug detection activities. Once the program has started, the department will be able to measure its success through the number of seizures performed using the K9, as well as the number of community events it can present it at for the purpose of education and outreach.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The cost of the K9 was under the municipality's bid threshold, therefore, it was not required to go out to bid for it. Research and referrals from other agencies were taken into consideration when purchasing the K9. The vehicle needed for the transport of the canine was purchased through a state contract.
	2025 Fiscal Program #2	
1	Program Name/Title	North Bergen Prevention Coalition
2	Agency/Funding Recipient Name	Township of North Bergen
3	Agency/Funding Recipient Category	County or Municipality (including Departments and Municipal Alliances)
4	Primary problem being addressed by this program:	Substance Abuse and Education
5	Brief program description:	Educates youth about the dangers of drug and alcohol abuse
6	Program target population:	Children and Young Adults - 0-13 (through 8th grade); Children and Young Adults - 14-18 (high school aged); Members of the General Public
7	Date this program was funded (please use MM/DD/YYYY)	01/02/2025
8	Amount of funding for this program.	$35,000.00
8a.	Amount expended:	$32,628.66
8b.	Amount encumbered/appropriated:	$0.00
9	How often are you disbursing funds to this program?	Others
9(a).	How often are you disbursing funds to this program? - Others	Periodically. Funds are being used to reimburse the Township for the program expenses, primarily salaries for the program administrators.

10	Program Launch Date	09/01/1991
11	Please choose the length of time of this program's duration:	Others
11 (a).	Please choose the length of time of this program's duration: - Others	annual school year (September through June)
12	What is the anticipated number of unduplicated clients this program will reach annually?	2500
13	Please state this program's statement of impact.	The North Bergen Prevention Coalition, through a comprehensive approach in education, prevention, and community engagement has played a vital role in addressing the opioid crisis at the community level. The Coalition's opioid prevention initiatives center on three key points: education, early prevention, and community collaboration. Key achievements include: community education campaigns; youth-focused prevention; drug take-back initiatives; and, data-driven action.
14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of training/education sessions:	320
	Number of services provided/encounters:	2500
	Increased community awareness (please describe):	Students are encouraged to have discussions outside of the program with friends and parents pertaining to substance abuse and prevention tools.
15	How frequently are you measuring the tracked key performance indicators?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	The program's mission is to plan and implement strategies to prevent and reduce youth substance abuse and its related consequences. It does this through comprehensive supervised tutorial programs with prevention components by a State Certified Prevention Specialist.
17	Primary Category:	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	None of the above
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Prevent Misuse of Opioids, Leadership, Planning and Coordination

20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	Through community input, student surveys, and outreach, the Coalition has been able to gather vital data needed to implement strategies and execute prevention initiatives. By engaging the student base and community, the Coalition has been able to adjust and adapt to the needs of its residents.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	This program is run by mostly volunteers. There are five paid employees who oversee and administer the program. No procurement methods are required.

Opioid Settlement Funding Report		
Sub Division: Secaucus Town		
	State ID:	NJ209
	County Name:	Hudson
	Address:	1203 Paterson Plank Road, Secaucus, New Jersey, 07094
Fiscal Year: 2025		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2024 and 6/30/2025	$25,382.94
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received between 7/1/2024 and 6/30/2025	$0.00
3	The total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022 (Total amount including Interest Accrued):	$89,354.01
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2024 - 6/30/2025) :	$41,055.31
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2024 - 6/30/2025).	$0.00
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2024 - 6/30/2025) :	$0.00
8a.	Please provide details about any administrative expenses.	Not applicable.
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$48,298.70

10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	The Town of Secaucus is one of the few municipalities that has a full-time employee designated for coalition activities and programs. The Coalition coordinator designs and promotes substance abuse prevention, substance abuse awareness through youth activities, speaker series, community engagement and student leadership programs, and also guides the youth coalition group, KAI Coalition, a student organization at the Town's High School.
11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	The Secaucus Coalition Coordinator, a full-time employee of the Town of Secaucus, leads all substance abuse prevention and educational programs in the municipality. The Coalition uses, among other methods, the tried and tested 7 Strategies for Community Change which provides a framework for selecting a mix of activities, strategies, programs, practices, and policies for success.
12	In this reporting year (7/1/2024 - 6/30/2025), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	No
13	Please describe your public engagement/input efforts?	The Secaucus Coalition conducts monthly meetings at the Public Library to discuss substance abuse prevention strategies. The meetings are attended by Secaucus Coalition members and is open to the public. Members of the youth group, KAI Coalition, also attend and participate in discussing issues, strategies and solutions for implementation in the community. All communications regarding substance abuse include the Coalition's contact information and members of the community are encouraged to reach out.
14	Does your county/subdivision have a strategic plan?	No
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No

16	Did your subdivision fund any new programs using opioid abatement funds in this reporting year?	Yes
	2025 Fiscal Program #1	
1	Program Name/Title	Secaucus Coalition / KAI Coalition
2	Agency/Funding Recipient Name	Town of Secaucus
3	Agency/Funding Recipient Category	County or Municipality (including Departments and Municipal Alliances)
4	Primary problem being addressed by this program:	Substance Abuse Prevention and Education
5	Brief program description:	Prevention of substance abuse among youth; Educational and awareness programs
6	Program target population:	Children and Young Adults - 0-13 (through 8th grade); Children and Young Adults - 14-18 (high school aged); Children and Young Adults - 19-24 (post-grad through college); Members of the General Public
7	Date this program was funded (please use MM/DD/YYYY)	10/01/2024
8	Amount of funding for this program.	$85,000.00
8a.	Amount expended:	$41,055.31
8b.	Amount encumbered/appropriated:	$0.00
9	How often are you disbursing funds to this program?	Quarterly
10	Program Launch Date	09/01/2015
11	Please choose the length of time of this program's duration:	5+ years
12	What is the anticipated number of unduplicated clients this program will reach annually?	7000
13	Please state this program's statement of impact.	The program aims to decrease substance abuse by youth through increased awareness, training, community involvement and impact on the sales and distribution environment that prevents illegal access by youth.
14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	

	Number of participants served:	7000
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	150 medicine lockboxes, 10,000 unused drugs disposal packets
	Number of training/education sessions:	8
	Increased community awareness (please describe):	Increased awareness of illegal drinking by youth through Parents Who Host campaign Sticker Shock campaign to increase awareness of the liabilities of serving alcohol to minors Increased awareness of the importance of natural highs Seminars for parents and community, students in elementary, middle and high schools regarding dangers of opioids, substance/alcohol abuse, and increasing overall knowledge as it relates thereto. Leadership conferences for youth so they can lead group discussions and actions of fellow students Worked with schools to prevent vaping, increase awareness of dangers of substance use and abuse, inclusive of opioids. Increased awareness of best practices at businesses serving alcohol, tobacco, CBD and vaping products through TIPS training and ID Guides Active student engagement in Coalition activities
15	How frequently are you measuring the tracked key performance indicators?	Quarterly
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Provide information and raise awareness/knowledge of harms of substances, raise awareness/knowledge of alternatives, raise awareness/knowledge of laws/ordinances regarding substances, create/modify policy to reduce use access, provide support for youth to make healthy choices, enhance skills of youth and community members regarding prevention strategies. Impact will be measured in various ways including surveys, license attrition rates, number of training participants.
17	Primary Category:	Primary Prevention, Education, and Training

18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Prevent Misuse of Opioids, Training
20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The Secaucus Coalition uses evidence based strategies including CADCA's 7 strategies for community change: providing information, enhancing skills, providing support, identifying barriers, changing consequences; modifying environment, and modifying or developing policies.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	n/a

Opioid Settlement Funding Report		
Sub Division: Union City		
	State ID:	NJ229
	County Name:	Hudson
	Address:	3715 Palisade Avenue, Union City, New Jersey, 07087

8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2024 - 6/30/2025) :	$0.00
8a.	Please provide details about any administrative expenses.	NONE
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$1,668,403.55
10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	N/A

11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	THE CITY OF UNION CITY USED THE LIST OF OPIOID REMEDIATION USES TO DECIDE HOW TO BEST USE THE OPIOID FUNDS.
12	In this reporting year (7/1/2024 - 6/30/2025), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	No
13	Please describe your public engagement/input efforts?	ADVERTISEMENTS POSTED AROUND THE CITY AND IN SUBWAY STATIONS BETWEEN UNION CITY AND MANHATTAN, NY AND ON NJ TRANSIT BUSES THAT RUN THROUGH UNION CITY NOTIFYING ALL CITIZENS OF OUR PREVENTION PROGRAMS.
14	Does your county/subdivision have a strategic plan?	No
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
16	Did your subdivision fund any new programs using opioid abatement funds in this reporting year?	Yes
	2025 Fiscal Program #1	
1	Program Name/Title	OPIOID REMEDIATION PROJECT
2	Agency/Funding Recipient Name	PARTNER'S IN PREVENTION
3	Agency/Funding Recipient Category	Community Based Organizations/Non-Governmental Organizations
4	Primary problem being addressed by this program:	OPIOID MISUSE AND ABUSE
5	Brief program description:	PREVENTION AND TRAINING PROGRAMS, NALOXONE TRAINING AND TESTING KITS, PARENT AND FAMILY RESOURCES
6	Program target population:	Children and Young Adults - 0-13 (through 8th grade);Children and Young Adults - 14-18 (high school aged);Children and Young Adults - 19-24 (post-grad through college);First

6 cont.	Program target population: cont.	Responders, Law Enforcement and other Emergency Responders;Healthcare Personnel and Workforce;Individuals in Recovery;Individuals in Treatment;Individuals who Use Drugs;Members of the General Public
6(a).	Program target population: - Others	
7	Date this program was funded (please use MM/DD/YYYY)	02/03/2025
8	Amount of funding for this program.	$300,000.00
8a.	Amount expended:	$54,450.00
8b.	Amount encumbered/appropriated:	$245,550.00
9	How often are you disbursing funds to this program?	Quarterly
10	Program Launch Date	02/03/2025
11	Please choose the length of time of this program's duration:	1 year
12	What is the anticipated number of unduplicated clients this program will reach annually?	2400
13	Please state this program's statement of impact.	The impact of the Opioid Remediation Project is to strengthen the City of Union City's response to the opioid crisis by expanding access to resources, providing trainings, and enhancing prevention strategies. Through a collaborative, data-driven approach, Partners in Prevention has identified several areas of concern and created strategic plans to have a meaningful impact in the City of Union City. The resources and trainings are bilingual, ensuring access for diverse community members. The prevention programs are currently being provided in schools and the public awareness campaigns have been launched throughout the City of Union City. To date, over 400 individuals have been trained in the proper usage of naloxone, and more than 500 kits have been given out at events, health fairs, and trainings. Planned initiatives, such as naloxone kiosks and vending machines, will further expand access and lay the foundation for a sustainable approach to reducing stigma and increasing awareness and resource access.

14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	
	Number of harm reduction supplies distributed (e.g naloxone kits, drug disposal packets):	
	Number of training/education sessions:	
	Number of services provided/encounters:	
	Increased community awareness (please describe):	Through various media outlets, we intend to reduce the stigma associated around opioid use disorder. This includes outlets such as billboards, bus & train stops, streaming services, and social media.
15	How frequently are you measuring the tracked key performance indicators?	Quarterly
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	This program aims to reduce opioid-related harm by expanding access to prevention, harm reduction and recovery resources. Specific outcomes include decreasing opioid overdose deaths, increasing naloxone distribution and utilization, expanding access to resources, reducing stigma associated with opioid use disorder, and improving linkage to treatment and recovery services. Progress and impact are measured through training evaluations, naloxone distribution sign-in sheets and local data provided by partners to track trends and outcomes.
17	Primary Category:	Harm Reduction and Overdose Prevention
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Primary Prevention, Education, and Training
18 (a).	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above). - Others	
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Support People in Treatment and Recovery,Connections to Care,Appropirate Opioid Prescribing and Dispensing,Prevent Misuse of Opioids,Prevent Overdose Deaths and Other Harms (Harm Reduction),First Responders,Leadership, Planning and Coordination,Training,Research

20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The program addresses opioid use disorder, and any co-occurring substance use disorders and mental health conditions through a comprehensive, evidence-based framework grounded in prevention, harm reduction, and public health. The staff are trained and implement various, age-appropriate evidence-based curricula for K-12 students. Naloxone trainings are provided to professionals including educators, school faculty, nurses, EMS, law enforcement, and SACs with facilitators certified though Overdose Lifeline. Law enforcement officers have also been trained in operational readiness for addressing opioid use disorder and co-occurring conditions. When appropriate, referrals are made for evidence-based treatment to ensure a comprehensive and integrated approach.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The City of Union City released an RFP for Opioid Remediation Services. Through a competitive process, Partners in Prevention's application was selected and subsequently contracted for the proposed services.

Opioid Settlement Funding Report		
Sub Division: Weehawken Township
