Opioid Settlement Funding Report		
Sub Division: Passaic County		
	State ID:	NJ172
	County Name:	Passaic
	Address:	401 Grand St, Paterson, New Jersey, 07470
Fiscal Year: 2025		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2024 and 6/30/2025	$713,204.18
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received between 7/1/2024 and 6/30/2025	$97,692.03
3	The total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022 (Total amount including Interest Accrued):	$3,612,431.59
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a county and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2024 - 6/30/2025) :	$247,589.86
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2024 - 6/30/2025).	$796,725.00
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2024 - 6/30/2025) :	$9,795.82
8a.	Please provide details about any administrative expenses.	Administrative expenses include the following items: Portion of S&W and Fringe (Approx 7%) for Bart Chou; Passaic County Division of Mental Health & Addictions Services Director-Office Supplies (Toner, paper, notebooks, pens).
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$2,202,120.04

10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	The Passaic County Department of Human Services, Division of Mental Health and Addiction Services is committed to ensuring equitable access to recovery resources for all residents. S.H.I.N.E. Model (Supporting Health through Identification, Networking, and Education): Establishes a streamlined support system addressing both immediate and long-term needs. Recovery Housing (Sober Living): Provides safe, stable, and structured recovery residences critical for individuals in early recovery. Workforce Development (Training Institute): Offers evidence-based training courses, such as harm reduction and updated ASAM criteria, to strengthen provider skills and maintain high standards of care. Recovery Support (Passaic County Recovery Program) - Establish a recovery-focused hub in West Milford to expand access to prevention, treatment, and recovery support services for individuals and families affected by opioid and other substance use disorders. All efforts reflect the county's commitment to accessibility, community-driven service, and continuous education.
11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	Funds were allocated based on evidence-informed strategies and extensive stakeholder input. Key contributors included: Residents engaged through outreach stations Advisory committees: LACADA, Mental Health Board, PAC/PACADA Quarterly meetings of the Opioid Recovery and Remediation Fund County Advisory Council Major Initiatives Funded: Sober Living Program Developed in response to demand for recovery housing. Contracted with Structured Recovery Residences to provide both reserved and fee-for-service beds. Training Institute Created to equip providers with up-to-date, evidence-based practices. Training sessions addressed harm reduction, counseling standards, and ASAM criteria. Strong participation and positive feedback highlighted community support. Office of Recovery Outreach Expanded outreach across municipalities, providing Narcan distribution,

11 cont.	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain. cont.	education, and screenings. Services were refined based on quarterly stakeholder feedback. Recovery Support (Passaic County Recovery Program) Establish a recovery-focused hub in West Milford. Expand access to prevention, treatment, and recovery support services for individuals and families affected by opioid and other substance use disorders.
12	In this reporting year (7/1/2024 - 6/30/2025), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes, for one year funding
13	Please describe your public engagement/input efforts?	The county engaged the public through outreach stations, advisory committee meetings, and quarterly stakeholder sessions. This process ensured community input shaped funding priorities.
14	Does your county/subdivision have a strategic plan?	Yes
14a	Can we post your strategic plan online?	Yes
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
16	Did your subdivision fund any new programs using opioid abatement funds in this reporting year?	Yes
	2025 Fiscal Program #1	
1	Program Name/Title	Passaic County Recovery Program
2	Agency/Funding Recipient Name	Passaic County Department of Human Services; Division of Mental Health and Addiction Services
3	Agency/Funding Recipient Category	County or Municipality (including Departments and Municipal Alliances)
4	Primary problem being addressed by this program:	Opioid Use Disorder (OUD), co-occurring substance use disorders, and co-occurring mental health conditions within Passaic County, particularly in underserved areas such as West Milford.

5	Brief program description:	The West Milford Recovery Program will establish a recovery-focused hub in West Milford to expand access to prevention, treatment, and recovery support services for individuals and families affected by opioid and other substance use disorders. The program will integrate evidence-based practices such as outpatient treatment, peer recovery coaching, linkage to Medication-Assisted Treatment (MAT), trauma-informed counseling, and wrap-around support services (housing, employment, transportation). It will also serve as a stigma-free, community-based site for residents to access services locally, addressing the geographic and transportation barriers often faced in rural areas of Passaic County.
6	Program target population:	Others
6(a).	Program target population: - Others	Individuals and families impacted by substance use disorders and co-occurring disorders. County residents who suffer from Substance Use Disorders (SUDs), including OUD, co-occurring disorders, and their families.
7	Date this program was funded (please use MM/DD/YYYY)	11/27/2024
8	Amount of funding for this program.	$793,000.00
8a.	Amount expended:	$0.00
8b.	Amount encumbered/appropriated:	$793,000.00
9	How often are you disbursing funds to this program?	Others
9(a).	How often are you disbursing funds to this program? - Others	One-time allocation for site construction.
10	Program Launch Date	03/16/2026
11	Please choose the length of time of this program's duration:	5+ years
12	What is the anticipated number of unduplicated clients this program will reach annually?	50
13	Please state this program's statement of impact.	The program will serve as a sustainable recovery hub for Upper Passaic County, ensuring that at least 50 unduplicated clients per year are connected to treatment, recovery, and wrap-around services. Over time, it aims to reduce opioid-related overdose deaths, expand access to MAT, and increase community capacity

13 cont.	Please state this program's statement of impact. cont.	for recovery support.
14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Other:	Number of individuals engaged in treatment and recovery services. Number of peer recovery support sessions delivered. Number of clients linked to MAT and counseling services. Number of naloxone kits distributed. Number of community education/stigma reduction events held.
15	How frequently are you measuring the tracked key performance indicators?	Quarterly
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Outcomes: Reduction in opioid-related overdoses; increased engagement in treatment; enhanced recovery support access in West Milford; reduction of stigma associated with addiction. Measurement: Program utilization data, quarterly performance dashboards, naloxone deployment reports, client satisfaction surveys, and annual reporting to the Opioid Recovery and Remediation Fund County Advisory Council.
17	Primary Category:	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention;Recovery Supports;Treatment;Wraparound and Connected Care Supports
18 (a).	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above). - Others	
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Treat Opioid Use Disorder (OUD),Support People in Treatment and Recovery,Connections to Care,Prevent Overdose Deaths and Other Harms (Harm Reduction)
20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The program aligns with Schedule B Approved Uses by implementing evidence-based strategies such as: MAT linkage and expansion (FDA-approved treatments for OUD). Peer recovery support and recovery navigation. Trauma-informed counseling and family support. Naloxone distribution and overdose prevention training.

20 cont.	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies. cont.	Stigma reduction campaigns and culturally appropriate community engagement.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The procurement method for the Passaic County Recovery Program is grant-based allocation from the Opioid Recovery and Remediation Fund. The Passaic County Division of Mental Health and Addiction Services established an 18-year grant account to manage settlement allocations. The County Advisory Council provides oversight to ensure funds are used according to Schedule B Approved Uses and are compliant with evidence-based or evidence-informed strategies. This grant-based method was selected to ensure transparency, long-term sustainability, and adherence to state settlement requirements.
	2024 Fiscal Program #1	
1	Program Name/Title	Sober Housing
2	Have there been any modifications or expansions to this program since the initial report? :	Yes - Program has ended/will not be continued
3	Amount expended in this reporting period (7/1/2024 - 6/30/ 2025)	$34,905.00
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	8
	Other:	Bed Days- 334
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	08/28/2025
	2024 Fiscal Program #2	
1	Program Name/Title	Office of Recovery

2	Have there been any modifications or expansions to this program since the initial report? :	No modifications/expansions
3	Amount expended in this reporting period (7/1/2024 - 6/30/ 2025)	$202,889.04
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	645
	Number of training/education sessions:	7
	Other:	Educate 3,413 community members on harm reduction Distribute 978 Narcan kits The Office of Recovery and partner programs conducted more than 250 outreach events across municipalities in Passaic County. Annual Recovery Celebration: The County hosted the Annual Recovery Celebration in 2024, which brought together 250–300 participants including residents, service providers, community leaders, and partners.
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	08/28/2025

Opioid Settlement Funding Report		
Sub Division: Clifton City		
	State ID:	NJ34
	County Name:	Passaic
	Address:	900 Clifton Avenue, Clifton, New Jersey, 07013
Fiscal Year: 2025		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2024 and 6/30/2025	$212,125.30
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received between 7/1/2024 and 6/30/2025	$0.00
3	The total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022 (Total amount including Interest Accrued):	$602,641.65
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2024 - 6/30/2025) :	$129,279.48
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2024 - 6/30/2025).	$72,000.00
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2024 - 6/30/2025) :	$0.00
8a.	Please provide details about any administrative expenses.	N/A
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$386,117.64

10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	Goals are to guide residents in our prevention, education, response, and recovery from the opioid epidemic by implementing evidence-based programs and special events that display these values.
11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	We referred to existing evidence-based programs to gain insight into our uses and utilized the document of Recommended Uses provided by the state.
12	In this reporting year (7/1/2024 - 6/30/2025), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	Yes, for multiple year funding
12a	Please select years range:	1 - 2 years
13	Please describe your public engagement/input efforts?	Our public engagement efforts include community outreach at multiple locations throughout the city of Clifton to gain knowledge of residents' needs. Input efforts include data from our Community Health Assessment, evidence-based data and educational materials from external sources, funding, staffing, and trainings.
14	Does your county/subdivision have a strategic plan?	No
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No
16	Did your subdivision fund any new programs using opioid abatement funds in this reporting year?	Yes
	2025 Fiscal Program #1	
1	Program Name/Title	Youth Mental Health First Aid Training
2	Agency/Funding Recipient Name	City of Clifton
3	Agency/Funding Recipient Category	County or Municipality (including Departments and Municipal Alliances)

4	Primary problem being addressed by this program:	Mental health illnesses and substance use in youth
5	Brief program description:	Youth Mental Health First Aid is designed to teach parents, family members, caregivers, teachers, school staff, neighbors, health and human services workers, and other caring citizens how to help an adolescent (age 12-18) who is experiencing a mental health or addictions challenge or is in crisis. Youth Mental Health First Aid is primarily designed for adults who regularly interact with young people. The course introduces common mental health challenges for youth, reviews typical adolescent development, and teaches a 5-step action plan for how to help young people in both crisis and non-crisis situations. Topics covered include anxiety, depression, substance use, disorders in which psychosis may occur, disruptive behavior disorders (including AD/HD), and eating disorders.
6	Program target population:	Children and Young Adults - 0-13 (through 8th grade); Children and Young Adults - 14-18 (high school aged); Members of the General Public
7	Date this program was funded (please use MM/DD/YYYY)	12/13/2024
8	Amount of funding for this program.	$57,279.48
8a.	Amount expended:	$57,279.48
8b.	Amount encumbered/appropriated:	$0.00
9	How often are you disbursing funds to this program?	One time only
10	Program Launch Date	01/14/2025
11	Please choose the length of time of this program's duration:	One time only
12	What is the anticipated number of unduplicated clients this program will reach annually?	10
13	Please state this program's statement of impact.	Youth Mental Health First Aid (YMHFA) improves mental health literacy, increasing the ability to recognize signs of mental health challenges and substance use and know how to respond. It boosts participants' confidence in helping a young person in distress, reduces

13 cont.	Please state this program's statement of impact. cont.	mental health stigma, and increases empathy toward those with mental health challenges
14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of training/education sessions:	12
15	How frequently are you measuring the tracked key performance indicators?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact? Youth Mental Health First Aid (YMHFA) training aims to improve mental health literacy, reduce stigma, and increase adults' confidence and ability to recognize and respond to mental health challenges in youth. Measurement of impact is tracked through studies using pre- and post-training surveys that assess changes in knowledge, attitudes, confidence, and intentions to help.
17	Primary Category:	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	None of the above
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Prevent Misuse of Opioids, Training
20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	Youth Mental Health First Aid (YMHFA) addresses opioid use and co-occurring conditions by teaching how to recognize signs of substance use and overdose, and how to use the ALGEE action plan to help. This includes assessing risk, listening without judgment, providing reassurance, and encouraging professional help, connecting youth with resources like mental health services and treatment programs.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The procurement method for Youth Mental Health First Aid (YMHFA) training was utilizing the Opioid Settlement Fund and abiding by its eligibility guidelines. The Clifton Health Department received and assessed the opioid settlement funds, staff members met to discuss the expressed needs of community members, the National Council for Mental Wellbeing was

21 cont.	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program. cont.	contacted to schedule an evidence-based training session for 9 health department staff members, and the one-time training was implemented.
	2025 Fiscal Program #2	
1	Program Name/Title	Operational Readiness for Police Officers- Practical Strategies for Addressing Opioid Use Disorder & Co-Occurring Conditions
2	Agency/Funding Recipient Name	City Of Clifton
3	Agency/Funding Recipient Category	First Responders, Law Enforcement, and Emergency Services
4	Primary problem being addressed by this program:	Ongoing Opioid Crisis in the City of Clifton
5	Brief program description:	Enhance preparedness & effectiveness of the officers addressing the ongoing opioid crisis.
6	Program target population:	First Responders, Law Enforcement and other Emergency Responders

Opioid Settlement Funding Report		
Sub Division: Little Falls Township		
	State ID:	NJ113
	County Name:	Passaic
	Address:	225 Main Street , Little Falls , New Jersey, 07043
Fiscal Year: 2025		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2024 and 6/30/2025	$15,601.06
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received between 7/1/2024 and 6/30/2025	$0.00
3	The total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022 (Total amount including Interest Accrued):	$55,695.20
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2024 - 6/30/2025) :	$0.00
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2024 - 6/30/2025).	$0.00
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2024 - 6/30/2025) :	$0.00
8a.	Please provide details about any administrative expenses.	None
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$57,074.19
10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	We are still determining the course of action for spending these funds.

11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	We are still determining the course of action for spending these funds.
12	In this reporting year (7/1/2024 - 6/30/2025), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	No
13	Please describe your public engagement/input efforts?	None
14	Does your county/subdivision have a strategic plan?	No
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No
16	Did your subdivision fund any new programs using opioid abatement funds in this reporting year?	No

Opioid Settlement Funding Report		
Sub Division: Passaic City		
	State ID:	NJ171
	County Name:	Passaic
	Address:	286 Passaic Street, Passaic, New Jersey, 07055
Fiscal Year: 2025		
1	Please tell us the full amount of opioid abatement funds you received between 7/1/2024 and 6/30/2025	$244,888.82
2	Please tell us the total amount of interest accrued on opioid abatement funds your subdivision has received between 7/1/2024 and 6/30/2025	$0.00
3	The total amount of opioid abatement funds your subdivision has received since the distribution commenced in 2022 (Total amount including Interest Accrued):	$849,707.38
4	As an eligible subdivision receiving abatement funds, which of the following applies to your current status regarding those funds:	We are a municipality and did not transfer our funds
5	What amount of your opioid abatement funds did you transfer to the county?	
6	Please tell us the amount of opioid abatement funds you have expended in this reporting period (7/1/2024 - 6/30/2025) :	$149,768.18
7	Please tell us the amount of opioid abatement funds you have appropriated/encumbered but not yet spent in this reporting period (7/1/2024 - 6/30/2025).	$27,083.73
8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2024 - 6/30/2025) :	$0.00
8a.	Please provide details about any administrative expenses.	N/A
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$666,357.31

10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	In the short term we are modernizing, streamlining and relocating our existing opioid treatment program. Other programming will depend on how much remains after relocation.
11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	We have operated an opioid treatment program for more than a decade. We are using funds to defray costly things specific to opioid abatement - prescriber services for MAT, an enhanced medical record that supports prescription monitoring and alerts us if a client goes to the emergency room for opioid overdose. We are also modifying new construction per guidance from Department of Health - Certificate of Need - Office of Licensing.
12	In this reporting year (7/1/2024 - 6/30/2025), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	No
13	Please describe your public engagement/input efforts?	Public input is on hold pending an assessment of remaining funds after the modernization/relocation of existing opioid treatment program has taken place.
14	Does your county/subdivision have a strategic plan?	No
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No
16	Did your subdivision fund any new programs using opioid abatement funds in this reporting year?	No
	2023 Fiscal Program #1	
1	Program Name/Title	Passaic Alliance
2	Have there been any modifications or expansions to this program since the initial report? :	Yes, other modifications/expansions
	2a) If yes, please explain:	The existing treatment program will be relocated to a City-owned location. Funds were used to modify the structure to comply with NJ State guidelines for treatment centers.

cont.	2a) If yes, please explain: cont.	Funds were used to defray unreimbursed expenses for a prescriber of Medication for Opioid Use Disorder (MOUD). Funds were expended on linking an electronic health record with existing Opioid overdose alert systems and existing Prescription Drug Monitoring systems.
3	Amount expended in this reporting period (7/1/2023 - 6/30/ 2024)	$149,768.18
4	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Other:	We are modernizing, streamlining and relocating an existing treatment program that has served opioid-involved individuals for over a decade.
5	Is there anything else you would like to share or highlight regarding the progress and impact of this program? :	No
6	Last Updated Date :	09/18/2025

15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
16	Did your subdivision fund any new programs using opioid abatement funds in this reporting year?	Yes
	2025 Fiscal Program #1	
1	Program Name/Title	Pompton Lakes Walk for Hope
2	Agency/Funding Recipient Name	DC Apparel
3	Agency/Funding Recipient Category	County or Municipality (including Departments and Municipal Alliances)
4	Primary problem being addressed by this program:	Mental Health Awareness
5	Brief program description:	Walk for Hope
6	Program target population:	Children and Young Adults - 0-13 (through 8th grade); Children and Young Adults - 14-18 (high school aged); Children and Young Adults - 19-24 (post-grad through college);

6 cont.	Program target population: cont.	First Responders, Law Enforcement and other Emergency Responders; Healthcare Personnel and Workforce; Individuals experiencing Homelessness; Individuals in Recovery; Individuals in Treatment; Individuals involved with the Criminal Justice System; Individuals who Use Drugs; Members of the General Public; Pregnant and Parenting Individuals and their Families, including Babies with Neonatal Abstinence Syndrome
6(a).	Program target population: - Others	
7	Date this program was funded (please use MM/DD/YYYY)	05/29/2025
8	Amount of funding for this program.	$3,382.50
8a.	Amount expended:	$3,382.50
8b.	Amount encumbered/appropriated:	$0.00
9	How often are you disbursing funds to this program?	One time only
10	Program Launch Date	05/10/2025
11	Please choose the length of time of this program's duration:	One time only
12	What is the anticipated number of unduplicated clients this program will reach annually?	200
13	Please state this program's statement of impact.	The Walk For Hope has been created to emphasize the need to reduce the stigma around mental health and substance use. The program recognizes the critical role mental health plays in the misuse of dangerous drugs across the entire spectrum. Our goal each year is to increase our efforts and participants to further the conversation and reduce stigma
14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	200
	Increased community awareness (please describe):	passing out educational materials on mental health and substance use that provide accurate info + on-site vendors providing critical info.

15	How frequently are you measuring the tracked key performance indicators?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Our goal is to increase awareness and reduce the stigma around mental health and substance use. We will track this through annual community surveys and participation logs.
17	Primary Category:	Harm Reduction and Overdose Prevention
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Primary Prevention, Education, and Training
18 (a).	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above). - Others	
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Prevent Misuse of Opioids
20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	Mindfulness has been found to be an evidence-based resource to address mental health and walking provides that mindfulness. This program does not force people to think, but rather, show up, intake key resources, and enjoy themselves no matter what they are battling.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The procurement process started with an evaluation of attendees and needs based on prior year participation. Based off that number, and expected participation increase, the purchase was made. The program has pre-existing relationship with vendor, making the pre-production process much easier to complete in a timely fashion.

Opioid Settlement Funding Report		
Sub Division: Ringwood Borough

8	Please tell us the amount of opioid abatement funds that was spent on program administrative expenses in this reporting period (7/1/2024 - 6/30/2025) :	$0.00
8a.	Please provide details about any administrative expenses.	n/a
9	Please state the amount of unspent and/or uncommitted opioid abatement funds from any reporting year that your subdivision has on hand.	$44,825.01

10	Please share brief information on your subdivisions overarching goals and values to provide context for this year's spending decisions	The programs that the Ringwood Health Department have been involved in this year are aimed to improve students ability to make positive choices when it comes to health behaviors. Students complete the programs feeling empowered and are able to make informed decisions when it comes to substance use and other negative health choices.
11	How did you decide the best way to use the opioid abatement funds your subdivision received this reporting year? For example, did you rely on evidence-based or evidence-informed practices or strategies, the list of Opioid Remediation uses, a needs assessment, a strategic plan, or an epidemiological analysis? If yes, please explain.	Our Department has taken an evidence-informed approach to incorporate health education focused on substance use/abuse and physical activities that promote physical and mental well being.
12	In this reporting year (7/1/2024 - 6/30/2025), did your subdivision engage the public (e.g., town hall meeting, online survey, convened stakeholders) prior to deciding how to use the opioid abatement funds you received?	No, but plan to in the future
13	Please describe your public engagement/input efforts?	The Municipal Alliance (AWARE) was a regional Alliance between Wanaque and Ringwood. Interest in this group dwindled as members retired or moved on, so this Alliance no longer exists. The Ringwood Health Department has taken the lead in coordinating efforts that are related to using the opioid settlement funds in it's own Borough. The Police Department and past Municipal Alliance members and the Borough Administrators have had input regarding use of the funds. These funds have allowed us to continue to collaborate with our Board of Education to offer substance use/ Substance abuse prevention activities
14	Does your county/subdivision have a strategic plan?	No, but we plan to in the future
15	Have you completed a Risk Assessment profile for demographic or geographic impact?	No, but we plan to in the future
16	Did your subdivision fund any new programs using opioid abatement funds in this reporting year?	Yes

	2025 Fiscal Program #1	
1	Program Name/Title	Girls on the Run
2	Agency/Funding Recipient Name	4th and 5th grade female students
3	Agency/Funding Recipient Category	Schools, Colleges, Universities
4	Primary problem being addressed by this program:	This program provides an opportunity for female students to stay after school to socialize with peers with similar interests This socialization promotes new friendships and relationships with teachers, parents, community members outside of the classroom. Embedded in the program is education that teaches essential life skills and healthy living behaviors. Volunteer coaches facilitate lessons that blend physical activity learning how to manage emotions, fostering friendships and expressing empathy.
5	Brief program description:	By teaching young people how to develop positive self-esteem and confidence, research has shown that youth will be empowered to make safe and healthy choices throughout their lives. This is an opportunity to make impact among the youth in our community regarding of substance use/abuse education.
6	Program target population:	Children and Young Adults - 0-13 (through 8th grade)
7	Date this program was funded (please use MM/DD/YYYY)	11/12/2024
8	Amount of funding for this program.	$1,200.00
8a.	Amount expended:	$1,200.00
8b.	Amount encumbered/appropriated:	$0.00
9	How often are you disbursing funds to this program?	One time only
10	Program Launch Date	09/16/2024
11	Please choose the length of time of this program's duration:	One time only
12	What is the anticipated number of unduplicated clients this program will reach annually?	16

13	Please state this program's statement of impact.	Core Impacts per Girls on Run evaluation process Life Skills Development: 97% of participants reported learning critical life skills such as resolving conflict, helping others, and making intentional decisions GOTR participants were significantly more likely than girls in organized sports or physical education to apply these skills in real-life situations Confidence and Emotional Growth: 85% of girls showed improvement in confidence, caring, competence, character development, or connection to others . 97% of girls said they felt they could be themselves during the program. Physical Activity: Among the least active girls at the start, there was a 40% increase in physical activity levels by the end of the program Long-Term Impact: The program fosters lifelong healthy habits—both physical and mental—that extend well beyond the season. GOTR is shown to be more effective than traditional sports in teaching emotional regulation and social skills. Community and Belonging: Many girls report that GOTR helped them feel understood and supported, often for the first time. Testimonials highlight how the program helped them make friends and feel empowered. Parental and School Support: 94% of parents/guardians said the program was a valuable experience for their child. 96% of schools expressed willingness to offer the program again
14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	16
15	How frequently are you measuring the tracked key performance indicators?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	The impact that this program has on the youth helps them build character that empowers them to make healthy life choices and resist peer pressure when it comes to substance use/abuse.
17	Primary Category:	Primary Prevention, Education, and Training

18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	None of the above
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Prevent Misuse of Opioids
20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	Through this program, we are in a position to educate and increase awareness regarding substance use and the risk of substance abuse.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	In 2024, the school suffered budget issues that threatened the funding of this program. The funding provided by the opioid settlement is being used to fund the lead instructor position so that the program could be held.
	2025 Fiscal Program #2	
1	Program Name/Title	DARE
2	Agency/Funding Recipient Name	4th grade students in school district
3	Agency/Funding Recipient Category	Schools, Colleges, Universities
4	Primary problem being addressed by this program:	The DARE program "keepin" it REAL, stands for Refuse.Explain.Avoid..Leave.
5	Brief program description:	The Dare program is intended to improve decision-making and communication skills through peer interaction and role playingscenarios. The program addresses coping skills, assessing risk, support networks, and emotional and mental health topics.
6	Program target population:	Children and Young Adults - 0-13 (through 8th grade)
7	Date this program was funded (please use MM/DD/YYYY)	02/24/2025
8	Amount of funding for this program.	$9,000.00
8a.	Amount expended:	$3,591.81
8b.	Amount encumbered/appropriated:	$3,591.81
9	How often are you disbursing funds to this program?	One time only
10	Program Launch Date	01/23/2025
11	Please choose the length of time of this program's duration:	One time only
12	What is the anticipated number of unduplicated clients this program will reach annually?	115

13	Please state this program's statement of impact.	This program teaches life skills , builds resilience and the ability to make positive choices and cope with life challenges. These skills will help to empower students in avoiding substance use/abuse.
14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	115
15	How frequently are you measuring the tracked key performance indicators?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	As the students mature and grow in young adults results will become more apparent, these adults will be better informed and develop into positive role models for the younger generations.
17	Primary Category:	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	None of the above
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Prevent Misuse of Opioids
20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	Through education, our youth will gain an understanding of the dangers of substance use and how the risk for overuse affects an individuals full health potential.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The Police Department has participated in this program for over 15 years. This programs provides them with a means to connect with our youth, as well as parents. Keeping the education interesting can be a challenge in the digital world, but the officers get an opportunity to have face time with the students and during these interactions verbal communication occurs which allows for relationships and trust to be developed.

16	Did your subdivision fund any new programs using opioid abatement funds in this reporting year?	Yes
	2025 Fiscal Program #1	

1	Program Name/Title	Steered Straight
2	Agency/Funding Recipient Name	Steered Straight
3	Agency/Funding Recipient Category	Schools, Colleges, Universities
4	Primary problem being addressed by this program:	Steered Straight, Inc. aims to steer youth straight toward making sound, rational decisions through educational experiences that convey the realities of drug use and its consequences.
5	Brief program description:	Steered Straight is a 17-year proven program that does not explain drug prevention at school assemblies but TEACHES the reality of drugs and devises a prevention message the students implement themselves within their school system.
6	Program target population:	Children and Young Adults - 0-13 (through 8th grade); Members of the General Public;Others
6(a).	Program target population: - Others	Educators
7	Date this program was funded (please use MM/DD/YYYY)	10/16/2024
8	Amount of funding for this program.	$7,000.00
8a.	Amount expended:	$7,000.00
8b.	Amount encumbered/appropriated:	$0.00
9	How often are you disbursing funds to this program?	One time only
10	Program Launch Date	10/03/2024
11	Please choose the length of time of this program's duration:	One time only
12	What is the anticipated number of unduplicated clients this program will reach annually?	175
13	Please state this program's statement of impact.	To steer youth straight toward making sound rational decisions through a learning experience that provides a message of reality to help them make positive informed choices.
14	What key performance indicators are you tracking to ensure success of the program (for example, # of services provided, # of people served, # of naloxone kits distributed)?	
	Number of participants served:	175
	Increased community awareness (please describe):	Steered Straight is a 17-year proven program that does not explain drug prevention at school assemblies but TEACHES the reality of drugs and devises a prevention message the

cont.	Increased community awareness (please describe): cont.	students implement themselves within their school system.
15	How frequently are you measuring the tracked key performance indicators?	Annually
16	What outcomes or impact does the program aim to achieve? How do you plan to measure or track that impact?	Giving our youth, the facts they need to live healthy productive lives
17	Primary Category:	Primary Prevention, Education, and Training
18	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above).	Harm Reduction and Overdose Prevention
18 (a).	The following are other categories that may apply (include all categories with the exception of the Primary category you chose above). - Others	
19	Please select the Schedule B strategy(ies) that fits the primary focus of this program:	Connections to Care
20	Please explain how this program will address opioid use disorder and any co-occurring substance use disorders or mental health conditions through evidence-based or evidence-informed practices or strategies.	The in-depth presentations teach students how the epidemic started how it's getting worse and how they could stop it as well as the evolution from opioids to heroin. They are provided with methods on how to avoid involvement and prevent it from affecting them personally so they are able to make good decisions and right choices.
21	Please identify the procurement method utilized for this program, describe the procurement process, and explain why the procurement method identified was used for this program.	The message resonates with students, teachers, and parents giving them down to earth direction on how to deal with making positive choices regarding real life issues.
