The Department of Corrections Central Office Revenue Unit is responsible for the management of offenders' restitution. All inquiries regarding restitution, including the total amount owed, driver's license restoration, tax return overpayment/Middle Class Rebate being held by the New Jersey Department of Treasury, or bankruptcy, can be directed to the Department of Corrections Revenue Unit at:

The NJ State Parole Board collects restitution on behalf of the Department of Corrections for offenders being supervised by the Division of Parole. Offenders under supervision can submit restitution by check or money order to the State Parole Board (cash and credit card payments are prohibited). All checks and money orders must be made payable to State of NJ Treasurer and mailed to:

New Jersey State Parole Board
Attn: Fiscal Unit
PO Box 862
Trenton, NJ 08625

To ensure that payments are appropriately credited to an offender's account, the offender's State Bureau of Identification (SBI) number should be written in the memo section of all checks and money orders.

Please note a \$1.00 transaction processing fee will be applied to each payment made.

Offenders under supervision are required to make regular monthly payments toward restitution. After 90 days of non-payment, an offender's name will be referred to the New Jersey Department of Treasury, Division of Revenue and to a contracted collection agency for collection and other legal actions as deemed appropriate.

Offenders under supervision who have questions regarding restitution may contact the State Parole Board restitution unit via email at spbrestitution@spb.state.nj.us or by leaving a voicemail message at [609-341-2855](tel:609-341-2855). Due to high call volume, response time is typically within 5-7 business days.
