

New Jersey Pinelands Commission Application for a Letter of Interpretation (LOI) for Pinelands Development Credits (PDCs)

1. Enter the names of all current property owner(s) and the appropriate contact information. Please note that only the current property owner(s) may apply for a PDC LOI.
2. You may wish to have an agent (family member, realtor, attorney, consultant, etc.) act on your behalf regarding the application.
3. Identify all lots that comprise the property subject of the LOI. A separate PDC LOI Application Form must be completed for each noncontiguous (separated by paved roads or lots owned by others) property. If necessary, please attach a separate sheet identifying each block/lot subject of the LOI.
4. Identify how many houses currently exist on the property, where they are located and when they were built.
5. Identify how many other buildings (barn, garage, seasonal agricultural employee house, etc.) currently exist on the property, what they are used for and when they were built.
6. Identify whether any berry agriculture (blueberries/cranberries) exists on the property.
7. Identify any commercial activities (campground, farm market, mining, etc.) conducted on the property.
8. Identify whether you wish to reserve the right to build any future houses on the property. You should reserve the right to build a future house only if you qualify to develop a dwelling under the municipal land use ordinance and Pinelands regulations. Please note that when calculating the quantity of PDCs allocated, 0.25 PDC is deducted for each reserved right to build a future house. Additionally, this reservation does not guarantee future approval to build a house. A development application must still be completed with the Pinelands Commission and all appropriate municipal and county approvals and permits must be obtained and submitted to the Commission.
9. Indicate whether you or an immediate family member (husband, wife, great-grandparents, grandparents, great-grandchildren, grandchildren, parent, son, daughter, brother, sister, aunt, uncle, nephew, niece, first cousin) owned the property prior to February 8, 1979.
10. Indicate whether there are any easements or deed restrictions affecting the property, what they are for and when they were recorded.

11. The most recently recorded property deed or other documentation substantiating ownership (judgment, foreclosure, will, etc.) must be submitted with all PDC LOI applications. Additionally, a copy of any recorded easements or deed restrictions affecting the property (if applicable) must also be submitted.
12. Determine whether an application fee is required and the amount. Applications for a new LOI for PDCs or for a renewal/amendment of an expired LOI for PDCs do not require the submission of an application fee.

Digital application submissions are preferred. Application forms and other application materials, including large reports and plans, may be submitted in digital format to appInfo@pinelands.nj.gov. All plans must be in .pdf format and multiple plan sheets must be consolidated into one .pdf.

Alternatively, if digital submission is not possible, paper application submissions may be mailed to:

New Jersey Pinelands Commission
PO Box 359
15C Springfield Rd
New Lisbon, NJ 08064

A PDC LOI will be issued within 45 days of receipt of all information necessary to complete the application.
