The Pinelands Commission has provided a list below of preservation consultants for your review. Please note that this list does not constitute Pinelands Commission recommendation or approval of individual consultants. Before selecting a consultant, we encourage you to review their previous work and verify their professional qualifications. Consultants should meet or exceed the Secretary of the Interior's Professional Qualifications Standards for Archaeology and Historic Preservation. This list was updated in March 2026.

The architects, partnerships and firms on this list appear to meet minimum National Park Service (NPS) professional qualification standards for historic architecture (36CFR61). However, inclusion on this list does not imply that the listed partnerships and/or firms are eligible to practice architecture in the State of New Jersey in accordance with New Jersey State statutes and regulations promulgated by the State Board of Architects, Division of Consumer Affairs, New Jersey Department of Law and Public Safety. Further information on architects eligible to practice in New Jersey may be obtained from the State Board of Architects, 123 Halsey Street, Newark, NJ 07102, (973) 504-6385.
