

PUBLIC NOTICE

Pursuant to N.J.A.C. 7:50-5.4(c)6, the New Jersey Pinelands Commission will conduct a public hearing on the First Amendment to the 2003 AT&T Plan (hereinafter, the “proposed amendment”), filed by New Cingular Wireless PCS LLC d/b/a AT&T. The Commission is seeking public comment on whether the proposed amendment is in conformance with the minimum standards of the Pinelands Comprehensive Management Plan.

A comprehensive local communication facilities plan for the entire Pinelands Area, or an amendment to an approved plan, is required whenever a local communications facility (i.e., wireless communications tower) greater than 35 feet in height is proposed within any Pinelands management area other than a Regional Growth Area or a Pinelands Town. The proposed amendment would revise the previously approved 2003 AT&T Plan by adding one new local communications facility site within the Pinelands Village of Chatsworth, located within Woodland Township, in order to address an existing gap in service coverage.

The hearing will be conducted remotely and broadcast live on the Commission’s YouTube channel at the following time:

Date: Wednesday, January 14, 2026
Time: 9:30 a.m.
