WHEREAS, the Commission staff utilized the same review process for both the South Jersey Gas Company’s and the New Jersey Natural Gas Company’s Pinelands Development Applications; and

WHEREAS, pursuant to N.J.S.A. 13:18A-5h, no action authorized by the Commission shall have force or effect until ten (10) days, Saturdays, Sundays and public holidays excepted, after a copy of the minutes of the meeting of the Commission has been delivered to the Governor for review, unless prior to expiration of the review period the Governor shall approve same, in which case the action shall become effective upon such approval.

NOW, THEREFORE BE IT RESOLVED that, in conformance with the Appellate Division’s Remand Orders dated January 31, 2017 and February 15, 2017, the Commission will review the Commission staff’s consistency determination for the proposed pipeline project according to the following process:

1. The Commission intends to rely on the record developed before the Board of Public Utilities for NJNG’s N.J.S.A. 40:55D-19 municipal preemption petition, as well as the Commission’s Regulatory Program’s application file for Pinelands Development Application 2014-0045.001 and the staff’s consistency determination.

2. The Commission has considered whether to refer this matter to the Office of Administrative Law for an evidentiary hearing and has decided not to do so, because:

   a. An additional evidentiary hearing is not necessary at this time given the limited regulatory issues involved in this application and the extensive record already developed both as part of the Commission’s review of the application and hearings conducted before the BPU.
3. The Commission staff shall provide notice of the public's opportunity to provide both oral and written comments regarding the Commission staff's consistency determination. Such notice shall be posted on the Commission's website and mailed to the applicant, the Sierra Club and the Pinelands Preservation Alliance, and any person, organization or agency which has registered under N.J.A.C. 7:50-4.3(b)(2)(a). Such notice shall indicate that the oral comment meeting will occur no sooner than 45 days after the execution of this resolution and that written comments may be provided until 5:00 p.m. one week following the meeting at which the opportunity for oral public comment on the proposed pipeline application will be provided.

4. The former Appellants (Sierra Club and the Pinelands Preservation Alliance) may submit any additional information that they wish as part of the public comment process.

5. The Commission staff shall, following the close of the public comment period, review the record and any public comment provided and shall prepare a recommendation as to whether its prior consistency determination should be affirmed. Such recommendation report shall be posted on the Commission's website within 10 days of the Commission meeting at which Commission staff plans to present it for the Commission's consideration.

6. Any interested party who possesses a particularized property interest sufficient to require a hearing on constitutional or statutory grounds in accordance with N.J.S.A. 52:14B-3.2 & 3.3, may within 15 days of the posting of the Commission staff's recommendation report, submit a hearing request to the Commission.

7. At the next Commission meeting after the time for appeal set forth in Paragraph 6 above has expired and if no valid hearing request has been submitted, the Commission, based on the record as delineated in Paragraph 1 above, any public comments received and the Commission staff's recommendation, shall either approve or disapprove such recommendation.

PUBLIC DEVELOPMENT APPLICATION REPORT

May 19, 2017

Peter Miller, Administrator
Egg Harbor Township
3515 Bargaintown Road
Egg Harbor, NJ 08234

Application No.: 2001-0297.005
Block 5953, Lots 5, 20, 21, 23 & 24
Egg Harbor Township

This application proposes a five lot resubdivision and no further development of the above referenced 1.64 acre parcel in Egg Harbor Township.

The Township owns vacant Block 5953, Lot 5. The Township proposes to subdivide vacant Block 5953, Lot 5 into five lots. Four of the proposed vacant lots will then be consolidated with existing Block 5953, Lots 20, 21, 23 & 24. Each of those four lots contains an existing single family dwelling. The fifth proposed lot will be a vacant 8,000 square foot remainder lot.

STANDARDS

The Commission staff has reviewed the proposed development for consistency with all standards of the Pinelands Comprehensive Management Plan (CMP). The following reviews the CMP standards that are relevant to this application.

Land Use (N.J.A.C. 7:50-5.21)

The parcel is located in a Pinelands Regional Growth Area. Resubdivisions are permitted in the Pinelands Area.

The 1.64 acre parcel subject of this application is located in Egg Harbor Township’s RG-1 zoning district. The RG-1 zoning district requires a “by right” residential density of one dwelling unit per acre with a minimum “by right” lot area of 30,000 square per dwelling. Four of the proposed vacant lots will be consolidated with existing residentially developed lots.

The proposed 8,000 square foot vacant lot does not meet the “by right” residential density requirement or the “by right” minimum lot area requirement for a dwelling in the RG-1 zoning district. Based upon the current municipal zoning, any proposed future development of the proposed 8,000 square foot lot may require the purchase of Pinelands Development Credits.
PUBLIC COMMENT

The applicant has provided the requisite public notices. Notice to required land owners within 200 feet of the above referenced parcel was completed on April 7, 2017. Newspaper public notice was completed on April 19, 2017. The application was designated as complete on the Commission’s website on April 26, 2017. The Commission’s public comment period closed on May 12, 2017. No public comment was submitted to the Commission regarding this application.

CONDITIONS

1. Except as modified by the below conditions, the proposed development shall adhere to the plan prepared by Mott Associates, LLC and dated January 26, 2017.

2. Any future development of the proposed vacant 8,000 square foot lot requires completion of an application to the Commission.

CONCLUSION

As the proposed development conforms to the standards set forth in N.J.A.C. 7:50-4.57, it is recommended that the Pinelands Commission APPROVE the proposed development subject to the above conditions.

Within 15 days following receipt of a notice of valid appeal, the Executive Director shall initiate the procedures for assignment of an Administrative Law Judge to preside at the hearing pursuant to the Administrative Procedures Act, N.J.S.A. 52:14B-1 et seq., and the procedures established by the Office of Administrative Law.
