Municipal/County officials, representatives, appointees, professional consultants and members of the public:

Please join us for a **Pinelands Orientation for Newly Elected or Appointed Officials at 3:30 p.m. on July 27, 2021!**

The [free, virtual event](#) will feature presentations that highlight the special attributes of the New Jersey Pinelands, as well as the municipal conformance process, the development application review and approval process, and the Pinelands Commission's newly proposed amendments regarding stormwater management.

The Orientation will be part of the Pinelands Municipal Council's meeting, and it will serve as a great introduction to the Pinelands or as a refresher course for any elected/appointed officials, as well as any municipal consultants and members of the public. Municipal and Planning Board Engineers are particularly encouraged to attend.

Participants will have an opportunity to ask questions of the Pinelands Commission's staff.

Registration is not necessary. However, for planning purposes, please let us know if you plan to participate in the livestreamed event by contacting us at Info@pinelands.nj.gov.
