North Jersey Wastewater Cooperative Pricing System

In 2004, the Passaic Valley Sewerage Commission (PVSC) joined with the Bergen County Utilities Authority and the Joint Meeting of Essex and Union Counties to form the North Jersey Wastewater Cooperative Pricing System (NJWCPS). The NJWCPS is a cooperative procurement program approved by the New Jersey Department of Community Affairs with a goal of utilizing the administrative purchasing services and facilities of PVSC to effect substantial economies in the purchase of goods and supplies. PVSC is pleased to serve as the lead agency of the NJWCPS.

The NJWCPS has advertised and awarded contracts using competitive bidding processes for a variety of goods, equipment and services including: Janitorial Supplies; Various Manufacturer Equipment and Spare Parts; Instrumentation Equipment, Tools and Accessories; Various Manufacturers' Pumps and Motor Repair, Replacement, and Installation; Valves and Accessories; Wireless Monitoring and Alarm Systems; Rental of Mobile Crane with Operator; Various Hose Couplings and Fittings; Safety Equipment and Supplies; Various Bulk Chemicals; and Various Filters. Members of the NJWCPS have access to the terms, conditions, pricing and cost savings provided by these contracts.

As the lead agency of the NJWCPS, PVSC is permitted to accept and approve requests for additional memberships in the cooperative. The procurement contracts awarded under the cooperative are best suited for use by government entities such as municipal utilities authorities, public works departments, and municipal or regional wastewater treatment facilities. The process to add members is not complicated, and PVSC currently operates the cooperative at no cost for the member agencies. The lead agency is also available to discuss individual member questions on an ongoing basis.

The Passaic Valley Sewerage Commission looks forward to building on the success and cost savings of the North Jersey Wastewater Cooperative Pricing System. PVSC welcomes all inquiries about the cooperative from municipalities and other government agencies across the state of New Jersey. A listing of the current membership appears below. Please contact PVSC Purchasing Agent Tom Fuscaldo with any questions you may have at 973-817-5702.

North Jersey Wastewater Cooperative Pricing System

Revised 11/15/2021

Lead Agency: Passaic Valley Sewerage Commission (PVSC)
