**PVSC Holds Annual Reorganization Meeting
*Tucci and Quintana Elected to Leadership Posts***

Commissioners Thomas Tucci, Jr., and Luis A. Quintana were elected Chairman and Vice Chairman, respectively, at the Passaic Valley Sewerage Commission’s (PVSC) May 1st annual Reorganization Meeting. In addition, Elizabeth Calabrese was elected Treasurer and Mildred C. Crump was elected Secretary. Commissioners James P. Doran and Joseph F. Isola, as well as several members of the PVSC management team, were also present at the meeting.

“It is an honor to serve as PVSC Chairman,” said Mr. Tucci, who has held the position of Chairman since 2015. “The agency is extremely fortunate to have dedicated and forward-minded Commissioners. They have provided invaluable leadership as we continue to prepare for the future, while remaining responsive to our ratepayers. PVSC is also blessed to have an outstanding leadership team and hard-working employees who continue to operate PVSC’s plant on a 24/7/365 basis. I’m excited to continue working with all of them.”

“We have an extremely talented group of people working here,” added Mr. Quintana, a PVSC Commissioner since 2015. “I’m looking forward to working with the other commissioners, the PVSC leadership team and the entire staff as we continue to operate the fifth largest wastewater treatment facility in the United States.”

Ms. Calabrese and Ms. Crump have served as Commissioners since 2015, and Mr. Doran and Mr. Isola have served as Commissioners since 2017.

“Since the current board of commissioners has been working together, PVSC has consistently maintained among the lowest user charges in the United States. This is a credit to the leadership demonstrated by my fellow commissioners and the dedication of PVSC’s outstanding staff,” concluded Mr. Tucci.
