**PVSC Holds Reorganization Meeting
*Tucci and Quintana Re-Elected to Leadership Posts***

Newark, NJ – Commissioners Thomas Tucci, Jr., and Luis Quintana were re-elected Chairman and Vice Chairman, respectively, at the Passaic Valley Sewerage Commission’s (“PVSC”) Annual Reorganization Meeting earlier this week. In addition, Commissioner Elizabeth Calabrese was re-elected Board Treasurer. Matthew F. Murray was re-appointed as the Clerk to the Board of Commissioners.

Commissioners John J. Cosgrove, James Doran, Joseph Isola, Hector Lora and Brendan Murphy, as well as several members of the PVSC management team, were also present at the meeting. Commissioner Calabrese has served as a commissioner since 2015, Commissioners Doran and Isola have served as commissioners since 2017, and Commissioners Cosgrove, Lora and Murphy have served as commissioners since 2019.

“It’s an honor to serve as PVSC Chairman,” said Mr. Tucci, who has been a PVSC Commissioner since 2014 and has held the position of Chairman since 2015. “Our forward-minded Commissioners, our outstanding leadership team and our hardworking employees have done an amazing job coming together to help the agency overcome the unprecedented challenges brought on by the pandemic. I’m excited to continue working with all of them as we maintain our focus on providing critical wastewater services to our district.”

“This agency is extremely fortunate to have a diligent leadership team and a talented group of employees working in various units,” added Vice Chairman Quintana, a PVSC Commissioner since 2015 and the Vice Chairman since 2018. “We will continue to work together to plan for the agency’s future and to keep operating the fifth largest wastewater treatment facility in the United States. I am extremely honored to be a part of this team.”
