or holder of the public office having ultimate responsibility for the award of the contract, or campaign committee supporting such candidate or officeholder, or to any Ridgefield Borough party committee, between the time of first communications between that business entity and the Borough regarding a specific professional services agreement and the later of the termination of negotiations or the completion of the contract or agreement. This specifically and only relates to contract dealt with under this specific subsection.

F. Emergency exceptions. Notwithstanding the foregoing, the governing body recognizes that the New Jersey Legislature has provided for certain emergencies an further recognizes that the procedure outlined above might not be capable of being achieved in the event of an emergency or other time constraints. Thus, should a situation arise and time does not permit resort to this procedure, and the immediate performance of services is necessary, then an award for same may be made in accordance with the provisions of the Local Public Contracts Law relating to emergency contracts and such rules and regulations as may be promulgated, from time to time, by the governing body with regard to same. No such emergency contracts, however, may be awarded without a resolution establishing a basis for the deviation from the procedures outlined herein.

§ 8-8: Severability:

A. If any provision of this Article, or the application of any such provision to any person or circumstances, shall be held invalid, the remainder of this Article to the extent it can be given effect or the application of such provision to persons or circumstances other than those to which it is held invalid shall not be affected thereby, and to this extent the provisions of this Article are severable.
