PUBLIC CONTRACTING REFORM ORDINANCE

Be It Enacted by the Borough of Collingswood

Preamble

Whereas, professional business entities are exempt from public bidding requirements, and

Whereas, it has become common for professional business entities to make substantial political contributions to the election campaigns of the local government elected officers who are ultimately responsible for awarding professional service contracts or other contracts or agreements, and

Whereas, substantial local political contributions from professionals receiving discretionary contracts from the elected officials who receive such contributions raise reasonable concerns of the part of taxpayers as to their trust in the process of local government, if not the quality or cost of services received, and

Whereas, pursuant to P.L.2005, c.271, a municipality is authorized to adopt by ordinance measures limiting the awarding of public contracts to business entities that have made political contributions and limiting the contributions that the holders of a contract can make during the term of a contract; and

Whereas, pursuant to N.J.S.A. 40A:11-5 and N.J.S.A. 40:48-2, municipalities have the right to establish rules and procedures for contracting with professional business entities,

Now, therefore, be it resolved, that the policy of the Borough of Collingswood will be to set maximum amounts professional business entities may contribute politically beyond which they become ineligible to receive a public professional service contract from the Borough of Collingswood.

SECTION 1

Prohibition on Awarding Public Contracts to Certain Contributors

(a) Any other provision of law to the contrary notwithstanding, the municipality or any of its purchasing agents or agencies or those of its independent authorities, as the case may be, shall not enter into an agreement or otherwise contract to procure professional, banking, insurance coverage services or any other consulting services, from any professional business entity, including those awarded pursuant to a "fair and open" process, if that entity has solicited or made any contribution of money, or pledge of a contribution, including in-kind contributions, to any Collingswood Borough municipal candidate or holder of the public office having ultimate responsibility for the award of the contract, or campaign committee supporting such candidate or officeholder, or to any Collingswood Borough or Camden County party committee, or to any political action committee that regularly engages in the support of borough or county elections and/or borough or county party committees (PAC) in excess of the thresholds specified in subsection (c) within one calendar year immediately preceding the date of the contract or agreement.

(b) No professional business entity which enters into negotiations for, or agrees to, any contract or agreement with the municipality or any department or agency thereof or of its independent authorities for the rendition of professional, banking or insurance coverage services or any other consulting services, including those awarded pursuant to a "fair and open" process, shall solicit or make any contribution of money, or pledge of a contribution, including in-kind contributions, to any Collingswood Borough municipal candidate or holder of the public office having ultimate responsibility for the award of the contract, or campaign committee supporting such candidate or officeholder, or to any Collingswood Borough or Camden County party
committee, or to any PAC that regularly engages in the support of borough or county elections and/or borough or county parties between the time of first communications between that business entity and the Borough regarding a specific professional services agreement and the later of the termination of negotiations or the completion of the contract or agreement.

(c) (i) Subject to the limitations in (ii), Any entity meeting the definition of “professional business entity” under this section may annually contribute a maximum of $300 for any purpose to each candidate, for mayor or council, or $300 to each Collingswood Borough party committee, or $500 to each Camden County party committee, or to a PAC referenced in this ordinance, without violating subsection (a) of this section. However, (ii) any entity meeting the definition of “professional business entity” under this section, including such principals, partners, and officers of the entity in the aggregate, may not annually contribute for any purpose in excess of a total of $2,500 to: all Collingswood Borough candidates and officeholders with ultimate responsibility for the award of the contract and all Collingswood Borough or Camden County political parties and PACs referenced in this ordinance combined, without violating subsection (a) of this section.

(d) For purposes of this ordinance, a “professional business entity” is any entity seeking or performing a public contract for professional, banking or insurance coverage services or any other consulting services and which may be an individual including the individual’s spouse, if any, and any child living at home; a person; firm, corporation, professional corporation; partnership; organization, or association. The definition of a business entity includes all principals who own 5% or more of the equity in the corporation or business trust, partners, and officers in the aggregate employed by the entity as well as any subsidiaries directly controlled by the business entity.

(e) For purposes of this section, the office that is considered to have ultimate responsibility for the award of the contract shall be:

1) The Borough of Collingswood Council and the Mayor of the Borough of Collingswood, if the contract requires approval or appropriation from the Council.

2) The Mayor of the Borough of Collingswood, if the contract requires approval of the Mayor, or if a public officer who is responsible for the award of the contract is appointed by the Mayor.

SECTION 2

Contributions Made Prior to the Effective Date

No contribution of money or any other thing of value, including in-kind contributions, made by a professional business entity to any borough candidate for Mayor or Council, or borough or county party committee or PAC referenced in this ordinance shall be deemed a violation of this section, nor shall an agreement for property, goods, or services, of any kind whatsoever, be disqualified thereby, if that contribution was made by the professional business entity prior to the effective date of this section.

SECTION 3

Contribution Statement by Professional Business Entity

(a) Prior to awarding any contract or agreement to procure professional services, or banking or insurance coverage services or any other consulting services, with any professional business entity, the borough or

(b) The professional business entity shall have a continuing duty to report any violations of this ordinance that may occur during the negotiation or duration of a contract. The certification required under this subsection shall be made prior to entry into the contract or agreement with the borough and shall be in addition to any other certifications that may be required by any other provision of law.

SECTION 4

Return of Excess Contributions

A professional business entity or borough candidate or officeholder or borough or county party committee or PAC referenced in this ordinance may cure a violation of Section 1 of this ordinance, if, within 30 days after the contribution, the professional business entity notifies the Borough Council in writing and seeks and receives reimbursement of a contribution from the borough candidate or borough or county political party or PAC referenced in this ordinance.
