Section 2: Contributions Made Prior to the Effective Date

No contributions of money or any other thing of value, including in-kind contributions, made by a professional business entity to any municipal candidate for Mayor or Council, or municipal or county party committee or PAC referenced in this ordinance shall be deemed a violation of this section, nor shall an agreement for property, goods, or services, of any kind whatsoever, be disqualified thereby, if that contribution was made by the professional business entity prior to the effective date of this section.

Section 3: Contribution Statement by Professional Business Entity

Section 4: Return of Excess Contributions

A professional business entity or township candidate or officeholder or municipal or county party committee or PAC referenced in this ordinance may cure a violation of Section 1 of this ordinance, if, within 30 days after contribution, the professional business entity notifies the Borough Council in writing and seeks and receives reimbursement of a contribution from the borough candidate or municipal or county political party or PAC referenced in this ordinance.

received; (iii) make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution; (iv) make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee of any candidate or holder of the public office or Haddon Heights; (v) engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would make or solicit any contribution, which if made or solicited by the business entity itself, would subject that entity to the restrictions of this ordinance; (vi) fund contributions made by third parties, including consultants, attorneys, family members, and employees; (vii) engage in any exchange of contributions to circumvent the intent of this ordinance; or (viii) directly or indirectly, through or by any other person or means, do any act which would subject that entity to the restrictions of this ordinance.

(b) Furthermore, any professional business entity who violates (a) ii-viii shall be disqualified from eligibility for future Haddon Heights contracts for a period of four calendar years from the date of the violation.
