MUNICIPAL REGULATION
001-2006
PROHIBITING CONTRACTS TO BE AWARDED TO CERTAIN POLITICAL CAMPAIGN CONTRIBUTORS

WHEREAS, professional business entities are exempt from public bidding requirements; and

WHEREAS, contributions from professional business entities receiving discretionary contracts from the elected officials who receive such contributions may raise reasonable concerns on the part of taxpayers as to their trust in the process of local government; and

WHEREAS, pursuant to N.J.S.A. 40A:11-5 and N.J.S.A. 40:48-2, municipalities have the right to establish rules and procedures for contracting with professional business entities, and

WHEREAS, the Mayor has the authority to issue municipal regulations under the Faulkner Act, NJSA 40:69A-1 et seq. and the authority to negotiate contracts for the municipality under NJSA 40:69A-40j.

NOW, THEREFORE, BE IT ORDERED BY THE MAYOR OF THE TOWNSHIP OF OLD BRIDGE, that the policy of the Township of Old Bridge shall be to set the maximum amounts professional business entities who receive “no bid” contracts may contribute beyond which they become ineligible to receive “no bid” professional service contracts from the Township of Old Bridge.

SECTION I

Prohibition on Awarding Public Contracts to Certain Contributors

(a) Any other provision of law to the contrary notwithstanding, the Township, its purchasing agent or those of its independent authorities, as the case may be, shall not enter into an agreement or otherwise contract to procure, without a fair and open process, any service which the Township would be permitted to procure on a “no bid” basis pursuant to N.J.S.A. 40A:11-5(1)(a)(i) and 40A:11-5(1)(m) (the “Statute”) from any Professional Business Entity, if that entity has solicited on behalf of, or made any contribution of money, or pledged a contribution, including in-kind contributions, to a campaign committee of any Old Bridge Township municipal candidate or municipal office holder seeking re-election, who would have, or has, ultimate responsibility for the award of the contract, or to any Old Bridge Township or Middlesex County party committee, or to any Political Action Committee
or business trust, partners, and officers employed by the entity as well as any subsidiaries directly controlled by the business entity.

(e) For purposes of this section, the office that is considered to have ultimate responsibility for the award of the contract shall be:

(1) The Township of Old Bridge Council, if the contract requires approval or authorization from the Council.

(2) The Mayor of the Township of Old Bridge, if the contract requires approval of the Mayor, or if a public officer who is responsible for the award of contract is appointed by the Mayor.

SECTION 2

Contributions Made Prior to the Effective Date

No contribution of money or any other thing of value, including in-kind contributions, made by a Professional Business Entity to any municipal candidate for Mayor or Council, or Township municipal office holder seeking re-election, or county party committee or PAC referenced in this municipal regulation shall be deemed a violation of this section, nor shall an agreement for property, goods, or services, of any kind whatsoever, be disqualified thereby, if that contribution was made by the Professional Business Entity prior to the effective date of this municipal regulation.

SECTION 3

Contribution Statement by Professional Business Entity

(a) Prior to awarding any contract or agreement without public bid, any service which the Township would be permitted to procure on a “no bid” basis pursuant to the Statute to any Professional Business Entity, the Township or any of its purchasing agents or agencies, as the case may be, shall receive a sworn statement from the Professional Business Entity made under penalty of perjury that it has not made a contribution in violation of Section 1 of this municipal regulation.

(b) The Professional Business Entity shall have a continuing duty to report any violations of this municipal regulation that may occur during the negotiation or duration of a contract. The certification required under this subsection shall be made prior to entry into the contract or agreement with the Township and shall be in addition to any other certifications that may be required by any other provision of law.
(b) All municipal regulations or parts of municipal regulations which are inconsistent with any provisions of this municipal regulation are hereby repealed as to the extent of such inconsistencies.

SECTION 7

Effective Date

This Municipal Regulation shall become effective January 6, 2006.
