| 1 | Page 9                            | **Responsibility/Deliverable:** Gather data from partners (tribal nations, governmental agencies, educators, students, etc.) about needs, priorities, and concerns related to Indigenous education efforts in New Jersey. Revolution NJ to provide partner lists and contact details. Is it acceptable for the consultant to gather these data through a survey rather than focus groups and individual interviews?  

Yes, that is acceptable although we would like to see that the consultant has experience utilizing surveys for similar types of projects. |
