A contract awarded under a process that includes public bidding or competitive contracting pursuant to State contracts law shall constitute a fair and open process. N.J.S.A. 19:44A-20.23. - (7) Engage in any exchange of contributions to circumvent the intent of the Legislation; or
- (8) Directly or indirectly through or by any other person or means, do any act which would subject that entity to the restrictions of the Legislation.

6.0 TERMS RELATING TO PRICE AND PAYMENT

6.1 PRICE FLUCTUATION DURING CONTRACT

Unless otherwise agreed to in writing by the State, all prices quoted shall be firm through issuance of contract or purchase order and shall not be subject to increase during the period of the contract. In the event of a manufacturer's or contractor's price decrease during the contract period, the State shall receive the full benefit of such price reduction on any undelivered purchase order and on any subsequent order placed during the contract period. The Director must be notified, in writing, of any price reduction within five (5) days of the effective date. Failure to report price reductions may result in cancellation of contract for cause, pursuant to provision 5.7(b)1.

In an exceptional situation the State may consider a price adjustment. Requests for price adjustments must include justification and documentation.

6.2 TAX CHARGES

The State of New Jersey is exempt from State sales or use taxes and Federal excise taxes. Therefore, price quotations must not include such taxes. The State's Federal Excise Tax Exemption number is 22-75-0050K.

6.3 PAYMENT TO VENDORS

- A. The using agency(ies) is (are) authorized to order and the contractor is authorized to ship only those items covered by the contract

resulting from the RFP. If a review of orders placed by the using agency(ies) reveals that goods and/or services other than that covered by the contract have been ordered and delivered, such delivery shall be a violation of the terms of the contract and may be considered by the Director as a basis to terminate the contract and/or not award the contractor a subsequent contract. The Director may take such steps as are necessary to have the items returned by the agency, regardless of the time between the date of delivery and discovery of the violation. In such event, the contractor shall reimburse the State the full purchase price;

- B. The contractor must submit invoices to the using agency with supporting documentation evidencing that work or goods for which payment is sought has been satisfactorily completed or delivered. For commodity contracts, the invoice, together with the Bill of Lading, and/or other documentation to confirm shipment and receipt of contracted goods must be received by the using agency prior to payment. For contracts featuring services, invoices must reference the tasks or subtasks detailed in the Scope of Work and must be in strict accordance with the firm, fixed prices submitted for each task or subtask. When applicable, invoices should reference the appropriate task or subtask or price line number from the contractor's proposal. All invoices must be approved by the State Contract Manager or using agency before payment will be authorized;
- C. In all time and materials contracts, the State Contract Manager or designee shall monitor and approve the hours of work and the work accomplished by contractor and shall document both the work and the approval. Payment shall not be made without such documentation. A form of timekeeping record that should be adapted as appropriate for the Scope of Work being performed can be found at www.nj.gov/treasury/purchase/forms/Vendor_Timesheet.xls; and
- D. The contractor shall provide, on a monthly and cumulative basis, a breakdown in accordance with the budget submitted, of all monies paid to any small business, minority or woman-owned subcontractor(s). This breakdown shall be sent to the Office of Diversity and Inclusion.
- E. The Contractor shall have sole responsibility for all payments due any Subcontractor

6.4 OPTIONAL PAYMENT METHOD: P-CARD

The State offers contractors the opportunity to be paid through the MasterCard procurement card (p-card). A contractor's acceptance and a State agency's use of the p-card are optional. P-card transactions do not require the submission of a contractor invoice; purchasing transactions using the p-card will usually result in payment to a contractor in three (3) days. A contractor should take note that there will be a transaction-processing fee for each p-card transaction. To participate, a contractor must be capable of accepting the MasterCard. Additional information can be obtained from banks or merchant service companies.

6.5 NEW JERSEY PROMPT PAYMENT ACT

The New Jersey Prompt Payment Act, N.J.S.A. 52:32-32 et seq., requires state agencies to pay for goods and services within 60 days of the agency's receipt of a properly executed State Payment Voucher or within 60 days of receipt and acceptance of goods and services, whichever is later. Properly executed performance security, when required, must be received by the State prior to processing any payments for goods and services accepted by state agencies. Interest will be paid on delinquent accounts at a rate established by the State Treasurer. Interest shall not be paid until it exceeds \$5.00 per properly executed invoice. Cash discounts and other payment terms included as part of the original agreement are not affected by the Prompt Payment Act.

6.6 AVAILABILITY OF FUNDS

The State's obligation to make payment under this contract is contingent upon the availability of appropriated funds and receipt of revenues from which payment for contract purposes can be made. No legal liability on the part of the State for payment of any money shall arise unless and until funds are appropriated each fiscal year to the using agency by the State Legislature and made available through receipt of revenue.

7.0 TERMS RELATING TO ALL CONTRACTS FUNDED, IN WHOLE OR IN PART, BY FEDERAL FUNDS

The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$ 10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

Such action shall include, but not be limited to the following:
Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- (4) The contractor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

N.J.S.A. 10:5-39 et seq. requires contractors, subcontractors, and permitted assignees performing construction, alteration, or repair of any building or public work in excess of \$250,000 to guarantee equal employment opportunity to veterans.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

- (A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.
- (B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:
 - (1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;

- (2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;
 - (3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;
 - (4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;
 - (5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and non-discrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;
 - (6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:
 - (i) The contractor or subcontractor shall interview the referred minority or women worker.
 - (ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.
 - (iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.
 - (iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.
 - (7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.
- (C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.
- After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7.
- The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program and to the public agency compliance officer.
- The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on the job and/or off the job programs for outreach and training of minorities and women.
- (D) The contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq.

EXHIBIT C - EXECUTIVE ORDER NO. 151 REQUIREMENTS

It is the policy of the Division of Purchase and Property that its contracts should create a workforce that reflects the diversity of the State of New Jersey. Therefore, contractors engaged by the Division of Purchase and Property to perform under a construction contract shall put forth a good faith effort to engage in recruitment and employment practices that further the goal of fostering equal opportunities to minorities and women.

The contractor must demonstrate to the Division of Purchase and Property's satisfaction that a good faith effort was made to ensure that minorities and women have been afforded equal opportunity to gain employment under the Division of Purchase and Property's contract with the contractor. Payment may be withheld from a contractor's contract for failure to comply with these provisions.

Evidence of a "good faith effort" includes, but is not limited to:

1. The Contractor shall recruit prospective employees through the State Job bank website, managed by the Department of Labor and Workforce Development, available online at <https://newjersey.usnlx.com/>;
2. The Contractor shall keep specific records of its efforts, including records of all individuals interviewed and hired, including the specific numbers of minorities and women;
3. The Contractor shall actively solicit and shall provide the Division of Purchase and Property with proof of solicitations for employment, including but not limited to advertisements in general circulation media, professional service publications and electronic media; and
4. The Contractor shall provide evidence of efforts described at 2 above to the Division of Purchase and Property no less frequently than once every 12 months.
5. The Contractor shall comply with the requirements set forth at N.J.A.C. 17:27.

This language is in addition to and does not replace good faith efforts requirements for construction contracts required by N.J.A.C. 17:27-3.6, 3.7 and 3.8, also known as Exhibit B.

This Supplement to the above State of New Jersey Standard Terms and Conditions ("Supplement") shall apply to all contracts or purchase agreements made with the State of New Jersey ("State") pursuant to a State Using Agency's Delegated Purchase Authority ("DPA") or under N.J.S.A. 52:34-9 or -10 ("Waivered Contracts"). The terms in this Supplement are in addition to, or modify the State of New Jersey Standard Terms and Conditions (SSTCs) as applicable and noted below.

I. ADDITIONS TO THE STANDARD TERMS AND CONDITIONS FOR ALL WAIVERED AND DELEGATED PURCHASE AUTHORITY CONTRACTS

A. ORDER OF PRECEDENCE

The "Contract" shall consist of the following documents: (1) this Supplement; (2) the State of New Jersey Standard Terms and Conditions; (3) the agency's scope of work; and, (4) the Contractor's proposal including any attachments or documents incorporated by reference. In the event of a conflict in the terms and conditions among the documents comprising this Contract, the order of precedence, for purposes of interpretation thereof, listed from highest ranking to lowest ranking as noted above.

B. NO ARBITRATION

Notwithstanding anything to the contrary in Contractor's Standard Form Agreement ("SFA") or Scope of Work ("SOW"), the State does not agree to binding arbitration.

C. NO AUTO-RENEWAL

Notwithstanding anything to the contrary in Contractor's SFA or SOW, the State does not agree to auto-renewal of any services, standard software maintenance, technical support or service fees.

II. ADDITIONS TO THE STANDARD TERMS AND CONDITIONS FOR WAIVERED CONTRACTS, AS APPLICABLE

A. STATE'S RIGHT TO INSPECT CONTRACTOR'S FACILITIES

The State reserves the right to inspect the contractor's establishment before making an award, for the purposes of ascertaining whether the contractor has the necessary facilities for performing the Contract. The State may also consult with clients of the contractor to assist the State in making a contract award that is most advantageous to the State.

B. STATE'S RIGHT TO REQUEST FURTHER INFORMATION

The Director reserves the right to request all information which may assist him or her in making a contract award, including factors necessary to evaluate the contractor's financial capabilities to perform the Contract. Further, the Director reserves the right to request a contractor to explain, in detail, how the proposal price was determined.

C. DELIVERY TIME AND COSTS

Unless otherwise noted elsewhere in the scope of work, all delivery times are 30 calendar days after receipt of order (ARO) and prices for items in proposals shall be submitted Freight On Board (F.O.B.) Destination (30 calendar days ARO/F.O.B.). The contractor shall assume all costs, liability and responsibility for the delivery of merchandise in good condition to the State's Using Agency or designated purchaser. Thirty calendar days ARO/F.O.B. does not cover "spotting" but does include delivery on the receiving platform of the Using Agency at any destination in the State of New Jersey unless otherwise specified. No additional charges will be allowed for any additional transportation costs resulting from partial shipments made at the contractor's convenience when a single shipment is ordered. The weights and measures of the State's Using Agency receiving the shipment shall govern.

D. COLLECT ON DELIVERY (C.O.D) TERMS

C.O.D. terms will not be accepted.

E. CASH DISCOUNTS

The contractor is encouraged to offer cash discounts based on expedited payment by the State. The State will make efforts to take advantage of discounts. Should the contractor choose to offer cash discounts the following shall apply:

1. Discount periods shall be calculated starting from the next business day after the Using Agency has accepted the goods or services, received a properly signed and executed invoice and, when required, a properly executed performance security, whichever is latest; and
2. The date on the check issued by the State in payment of that invoice shall be deemed the date of the State's response to that invoice.

F. PERFORMANCE SECURITY

If performance security is required, such security must be submitted with the bid in the amount listed in the scope of work. N.J.A.C. 17:12-2.5. Acceptable forms of performance security are as follows:

1. A properly executed individual or annual performance bond issued by an insurance or security company authorized to do business in the State of New Jersey,
2. A certified or cashier's check drawn to the order of "Treasurer, State of New Jersey," or
3. An irrevocable letter of credit issued by a federally insured financial institution and naming "Treasurer, State of New Jersey," as beneficiary.

The Performance Security must be submitted to the State within 30 days of the effective date of the Contract award and cover the period of the Contract and any extensions thereof. Failure to submit performance security may result in cancellation of the Contract for cause and nonpayment for work performed.

Although the performance bond is required for the full term of the Contract, the Director recognizes that the industry practice of sureties is to issue a one (1) year performance bond for goods and services contracts. Thus, the contractor is permitted to submit a one (1) year performance bond for the amount required under the Contract and, on each succeeding anniversary date of the Contract, provide a continuation or renewal certificate to evidence that the bond is in effect for the next year of the Contract. This procedure will remain in place for each year of the Contract thereafter until the termination of the Contract. Failure to provide such proof on the anniversary date of the Contract shall result in suspension of the Contract, and possibly, termination of the Contract.

For performance bonds based on a percentage of the total estimated Contract price. On each anniversary of the effective date of the Contract, the amount of the required performance bond, unless otherwise noted, is calculated by applying the established RFQ performance bond percentage to the outstanding balance of the estimated amount of the Contract price to be paid to the contractor.

In the event that the Contract price is increased by a Contract Amendment, the contractor may be required to provide, within 30 calendar days of the effective date of the Contract Amendment, performance bond coverage for the increase in Contract price. The required increase in the performance bond amount is calculated by applying the established bond percentage set forth above to the increase in Contract price. Failure to provide such proof to the Director of this required coverage may result in the suspension of payment to the contractor until such time the contractor complies with this requirement.

G. RETAINAGE

If retainage is required on the Contract as stated in the scope of work, the state and/or agency will retain the stated percentage or retainage from each invoice. Payment of retainage will be authorized after satisfactory completion and submission of all services, deliverables or work products by the contractor and acceptance by the agency of all services, deliverables or work products required by the Contract.

For ongoing contracts, the agency will retain the stated percentage of each invoice submitted. At the end of the three (3) month period after payment of each invoice, the agency will review the contractor's performance and if performance has been satisfactory, the agency will release the retainage for the preceding three (3) month period. Following the expiration of the Contract, retained fees will be released to the contractor after certification by the agency's project manager, if any, that all services have been satisfactorily performed.

H. AUDIT NOTICE AND DISPUTE RESOLUTION

To the extent the contractor's proposal or Standard Form Agreement permits the contractor to conduct periodic audits of the State's usage of the Contractor Intellectual Property provided thereunder, such provision is amended to include the following audit notice and dispute resolution process:

1. **AUDIT NOTICE** -- Notwithstanding anything to the contrary in the contractor's proposal or Standard Form Agreement, in the event that the contractor seeks to exercise a right in its proposal or Standard Form Agreement to audit the State's use of Contractor Intellectual Property, the contractor shall deliver simultaneous written notice, no less than thirty days in advance of the audit start date (unless the contractor's notice provides a longer notice period), to the: Agency requesting the waiver contract.
2. The notice shall reference the specific audit provision(s) in the contractor's proposal or Standard Form Agreement being exercised and include copies of same, specify the means by which the contractor will conduct the audit, and shall require the audit to be conducted in accordance with generally accepted standards in the field of such audits.
3. **AUDIT DISPUTE RESOLUTION** -- If the State, in good faith, provides the contractor with written notice of an alleged error in the amount of underpaid fees due the contractor as a result of an audit (the "dispute"), then the parties will endeavor to resolve the dispute in accordance with this paragraph. Each party will appoint a Vice President, Assistant Director, or the equivalent (hereinafter referred to as "Representative") to discuss the dispute and no formal proceedings for the judicial resolution of such dispute, except for the seeking of equitable relief or those required to avoid non-compliance with the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq., may begin until either such Representative concludes, after a good faith effort to resolve the dispute, that resolution through continued discussion is unlikely. In addition, the parties shall refrain from exercising any termination right related to the dispute being considered under this paragraph and shall continue to perform their respective obligations under the Contract while they endeavor to resolve the dispute under this paragraph.
4. **STATE NOT LIABLE FOR AUDIT COSTS** -- Notwithstanding anything to the contrary in the contractor's proposal or Standard Form Agreement, the State will not reimburse the contractor for any costs related to an audit.
5. **NO AUDIT RIGHT CREATED** -- In the event that the contractor's proposal or Standard Form Agreement does not permit audits of the State's usage of Contractor Intellectual Property, Section 5.19 of this Supplement shall not be interpreted to provide such an audit right.
