## Information Technology Certification Statement

I hereby certify that all Information Technology costs submitted for reimbursement from the 2021-2022 NJ STEP program are associated with promoting my company to international buyers, promoting international sales, and receiving foreign payments. I will comply with all requirements of the State of New Jersey, Business Action Center, Office of Export Promotion pursuant to the STEP Award Letter in which our company will furnish proof of payment documents evidencing the information technology costs and the purpose of the payment for the stated reason.

I hereby acknowledge that I have read, understand, and agree to the terms of this document.
