BAN ON SINGLE-USE CARRYOUT BAGS,  
BAN ON POLYSTYRENE FOAM FOOD  
SERVICE PRODUCTS, AND PLASTIC  
STRAWS BY-REQUEST-ONLY  
(P.L. 2020, C. 117)

## BAN ON SINGLE-USE CARRYOUT BAGS

- Beginning May 4, 2022, the law prohibits all Stores (including retail), Food Service Businesses, and Grocery Stores from selling to, or providing their customers with, single-use plastic carryout bags
  - A "single-use plastic carryout bag" is a carryout bag made of plastic that is not a reusable carry out bag as defined by the law
- In addition, Grocery Stores larger than 2,500 square feet may not provide or sell single-use paper carryout bags, and instead may provide or sell only reusable carryout bags
  - A "single-use paper carryout bag" is a carryout bag made of paper that is not a reusable carryout bag as defined by the law

## STORES THIS BAN APPLIES TO

- The single-use plastic bag ban applies to a "Store," "Food Service Business," & "Grocery Store"
- The single-use paper bag ban applies to a "Grocery Store"
  - A "Store" is any grocery store, convenience store, liquor store, pharmacy, drug store or other retail establishment
  - A "Food Service Business" sells or provides food for consumption on or off the premises, including establishments such as a restaurant, café, delicatessen, coffee shop, convenience store, grocery store, vending truck or cart, food truck, movie theater, or business or institutional cafeteria, including those operated by a government entity
  - A "Grocery Store" is a self-service retail establishment that occupies at least 2,500 square feet and sells household foodstuffs for off-site consumption
    - It does not include an establishment that handles only pre-packaged food that does not require time or temperature controls for food safety

## REUSABLE CARRYOUT BAGS

- A "reusable carryout bag" must:
  - Be made of polypropylene fabric, PET nonwoven fabric, nylon, cloth, hemp product, or other washable fabric
- And-
- Have stitched handles
  - Traditional or ultrasonic stitching
  - Adhesive handles do NOT qualify
- And-
- Be designed and manufactured for multiple reuses
  - Minimum 125 uses

## SINGLE-USE BAG EXEMPTIONS

- A bag used solely to:
  - Contain or wrap uncooked meat, fish, or poultry
  - Package loose items such as fruits, vegetables, nuts, coffee, grains, baked goods, candy, greeting cards, flowers, bulk food, or small hardware items
  - Contain live animals, such as fish or insects sold in a pet store
  - Contain food sliced or prepared to order, including soup or hot food
- A laundry, dry cleaning, or garment bag
- A bag provided by a pharmacy to carry prescription drugs
- A bag for newspapers
- Any similar bag, as determined by the department pursuant to rule, regulation, or guidance

## BAN ON POLYSTYRENE FOAM FOOD SERVICE PRODUCTS

- Beginning May 4, 2022, the law prohibits all persons and food service businesses from selling/offering for sale any polystyrene foam food service product and prohibits all food service businesses from selling/providing any food served in a polystyrene foam food service product
- A "polystyrene foam food service product" is defined as a product made, in whole or in part, of polystyrene foam that is used for selling or providing a food or beverage and includes but is not limited to a food container, plate, hot or cold beverage cup, meat or vegetable tray, cutlery, or egg carton

# POLYSTYRENE PRODUCT EXEMPTIONS UNTIL MAY 4, 2024

- Disposable, long-handled polystyrene foam soda spoons when required and used for thick drinks
- Portion cups of two ounces or less, if used for hot foods or foods requiring lids
- Meat and fish trays for raw or butchered meat, including poultry, or fish that is sold from a refrigerator or similar retail appliance
- Any food product pre-packaged by the manufacturer with a polystyrene foam food service product
- Any other polystyrene foam food service product as determined necessary by the DEP
- The DEP may extend any of these exemptions for additional periods not to exceed one year. These extensions will only be considered upon receipt of written documentation that there is no cost-effective and readily available alternative for the item
- Any extended exemptions will automatically expire after one year, but the DEP may extend any such exemptions beyond one year upon receipt of further documentation

## WAIVERS FOR POLYSTYRENE FOAM FOOD SERVICE PRODUCTS

- A waiver may be requested for a polystyrene foam food service product or food in a polystyrene foam food service product for a period not to exceed one year upon a determination that one of the following situations are met:
  - There is no feasible and commercially available alternative for a specific polystyrene foam food service product
  - The person or business has less than \$500,000 in gross annual income and there is no reasonably affordable, commercially-available alternative to the polystyrene foam food service product
- These waivers must be approved in writing by the DEP. Waivers may be extended by the DEP for periods not to exceed one year upon written documentation submitted on the forms prescribed by the DEP
- Waivers are different than exemptions. Waivers can be requested for any polystyrene foam food service product or food in a polystyrene foam food service product if the criteria apply
