Re: Wastewater Management Plan
Long Branch Sewerage Authority
City of Long Branch, Monmouth County, New Jersey
MC Project No. LBS-001

Dear Mr. Woolley:

Please be advised that Monmouth County is the designated Planning Agency for the Water Quality Management Plan. The Long Branch Sewerage Authority submitted comments in November 2011 on the projected build-out flows that were provided by the Monmouth County Planning Board on October 21, 2011. The draft Wastewater Management Plan sent to the Authority in 2011 included reasonable projections for future development within the City.

If you have any questions concerning this matter, please contact me.

Very truly yours,

MASER CONSULTING P.A.
