RE: Petition for Re-Endorsement of Town Center Designation

Dear Mr. Ableman:

The Township seeks re-endorsement of its Town Center designation. The Township has advanced the diversity of the town center through development of mixed-use buildings, providing for the development of new affordable housing units, wellness facilities, expanded public parks and open space, and encouraged a wide range of personal service occupancies.

The attachments address petition checklist requirements. If your office needs any additional documentation please advise.

The Township has and intends to pursue the goals set forth in the existing Town Center Designation Plan.

On behalf of the Township, I request a pre-petition meeting with OPA and the relevant state agencies.

Respectfully,

Victor Sordillo
Mayor Warren Township
