Cape May Court House, NJ 08210

Subject: Resurfacing Lincoln Ave.

Mr. Foster,

Lincoln Ave. is due for resurfacing in the near future. The Board of Commissioners of the Borough of Cape May Point would like to ask for your assistance in solving a potential safety problem.

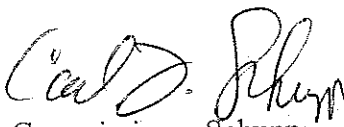

We are experiencing increased daily tag sales during the summer months. This translates to us as increased "day-trippers", which means more people looking for parking, which means increased vehicles and foot traffic around our beach entrances. Last summer, a young family was walking down Lake Ave. towards St. Pete's Beach. A car turning off Lincoln Ave. onto Lake Ave. almost hit a child. No one was hurt, thankfully. It does underline our fears.

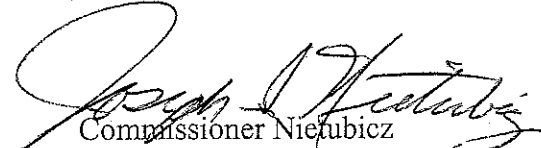

In our experience, resurfaced roads are an invitation to speed for some. As Lincoln Ave is a block from the beach entrances, we would ask you to consider some kind of traffic calming devices when the road is resurfaced.

1. Four-way stop signs (summer months only)
2. Decreased speed limit (summer months only)
3. Raised cross-walks
4. Crowned intersections
5. Anything that would slow vehicle traffic down

We appreciate your consideration in this matter.

  
Malcolm Fraser  
Mayor

  
Commissioner Schupp  
Deputy Mayor

  
Commissioner Nietubicz  
Com. Of Public Safety
