RE: Plan Endorsement

Dear Ms. Jones:

The Township of Toms River hereby requests an extension of time to complete Plan Endorsement. We would like to extend the deadline by six months to May 27, 2008. Within the next few weeks we will be resubmitting an updated Action Plan setting forth specific dates for individual action times.

We feel strongly that we are getting close to achieving our goal of Plan Endorsement and it is our hope that we can complete the process well before the new deadline. We appreciate the attention given to our petition by Jung Kim and the other professionals at the Office of Smart Growth, and we look forward to a productive working relationship with you.

Very truly yours,

Paul C. Brush
Mayor
