CZM Rules, N.J.A.C. 7:7 See Subchapter 13 and TABLE H [https://www.nj.gov/dep/rules/rules/njac7\\_7.pdf](https://www.nj.gov/dep/rules/rules/njac7_7.pdf)

### **NJ GREEN ACRES PROGRAM**

Site Specific Incentive Acquisition - Funding is available in the form of a Green Acres 25% or 50% matching grant, depending on whether the municipality or county has an open space tax (or approved alternative) and an adopted Open Space & Recreation Plan. Green Acres loans are available at 2% interest, payable over thirty years. If your Open Space & Recreation Plan is more than six years old, you must review it as part of the master plan re-examination process and update as needed and notify your Green Acres of any plan updates. <https://www.nj.gov/dep/greenacres/state.html>

Outdoor Recreation (Non-Urban Aid) – Green Acres provides loan funding for the development of outdoor recreation facilities. All non-Urban Aid development loans are at 2% interest, payable over twenty years. For park development projects located in Densely or Highly Populated Municipalities or sponsored by Highly Populated Counties, funding is available in the form of a 25% matching grant, with the balance as a loan, subject to available funding. Projects sponsored by Densely Populated Counties are eligible for funding in the form of a 50% matching grant, with the balance as a loan, subject to available funding. [https://www.nj.gov/dep/greenacres/local\\_faq.html](https://www.nj.gov/dep/greenacres/local_faq.html)

Stewardship Grants - The Preserve New Jersey Act made funding available to local governments for stewardship activities, defined as “an activity, which is beyond routine operations and maintenance, undertaken by the State, a local government or qualifying tax exempt nonprofit organization to repair or restore lands acquired for recreation and conservation purposes for the purpose of enhancing or protecting those lands for recreation and conservation purposes.” Green Acres has decided to focus its limited Stewardship funding on natural resource and conservation projects and not active recreation facilities. Local governments seeking to make improvements to recreation facilities (such as ballfields) may apply for Green Acres park development funds. Stewardship funding will be in the form of a 50% matching grant or, for projects in Urban Aid municipalities 75% matching grants.
