 of which Elizabetta Town part is 1432 - 1 - 6  
 Newark - part is 1263 - 1 - 0  
 Reg<sup>ts</sup> - part is 0575 - 1 - 0

Total Number of persons that pay taxes  
 in the township of Newark is 1035  
 of which there is 954  
 the Estimated value of whose Ratable Estate  
 Does not amount to 25 pounds which  
 Number I have placed in the householders  
 Column for according to the Act that this  
 Tax is made by I know no other Number  
 more proper to place in said Column

This being the 30<sup>th</sup> year that I have  
 served the publick as an Assessor  
 and have drawn as many Duplicates  
 to send to the Treasurers as years

And I do believe that there has  
 bin no use made of one Eighth part  
 of them in order to make a Division by  
 and I think it is time there was one  
 made and I pray this may be used  
 for that End
