started on
having a say in
your democracy!**

Democracy is not a spectator sport. It requires continual work to protect and keep strong. As a citizen, your active civic participation as a voter is essential to this process. In New Jersey, **17 year olds** can register to vote! Your registration will become active on your 18th birthday. **If you are 18**, register now or by May 20th, so you can participate in the Primary Election on June 10th.
