## N.J.S.A. 19:61-9: AUDITS OF ELECTION RESULTS

2025 General Election

Audit Date: November 18, 2025

The Atlantic County Board of Elections (BOE herein) performed an audit consistent with the provisions of N.J.S.A. 19:61-9 and the New Jersey Election Audit Procedures developed by the New Jersey State Division of Elections.

The Atlantic County BOE conducted a hand-to-eye count of the voter-verifiable paper records for the General Election for all federal and state offices, as well as county and municipal offices selected by the Secretary of State.

The State offices to be audited were Governor and State Assembly. As directed by the Division of Elections and Secretary of State Tahesha Way, the Board Commissioners could choose a countywide office and the county wide office selected was County Surrogate. In addition, a municipal wide office must be included such as city council, common council, township committee, or mayor. All other offices including school board, fire commissioners, unexpired terms and public questions were excluded from the audit.

Each Legislative District must be audited separately from the next. The County of Atlantic contains 4 such districts. Pursuant to the statute, "the audit shall be conducted in at least 2% of the election districts." Further, under the guidelines, if a legislative district has fewer than 100 units then at least 2 units must be audited from that district. At present, Atlantic County 146 election districts are divided among the 4 legislative districts.

The table below indicates how the number of audit units were calculated:

	# of Election Districts	# of Batches		# of Election Districts	# of Batches
LD 1	4	2	LD 2	118	10
LD 4	6	2	LD 8	18	2

The following "batches" were randomly drawn and counted:
