Subject: 2% Audit of 2025 General Election

On November 17, 2025 the Election Board completed a State mandated audit of the paper ballots cast in the November 4, 2025 General Election. This audit was properly advertised and took place in a room open to the public. The audit was performed with six (6) counting teams of four (4) members each. Each team consisted of two (2) Republicans and two (2) Democrats. As a blind audit, reports verifying the totals for each batch were not reviewed until counting was complete.

On November 19, 2025 the Ocean County Board of Election's Commissioners held a meeting to announce and certify the results of the audit. The findings of the audit as well as the audit batch selections are attached herein. In the audit of the November 4, 2025 General Election, there were 29 batches selected, which was a total of 4,554 ballots.

If you need additional information, please let us know.

Thanks.
