

Typical Features of a 1930s-type Historical Marker
Placed by the New Jersey Commission on Historic Sites

(all the markers in this series featured the same standard design; only the texts varied)

Circular medallion
with State seal, welded
to flanking metal arms

Rectangular metal plaque
with raised letters, set into
iron frame

Metal cap on top of post

Tapered octagonal post,
with a sheet aluminum
jacket over concrete

Check for deterioration
at base of post
